Annuity Board Report

The Southern Baptist Protection Plan

For the first time in two years, all ministers who are not enrolled in the Southern Baptist Plan are being informed about its benefits. This plan provides benefits for age, disability and widow.

Cost for the protection is based on the minister's salary and is 10 per cent of any amount up to \$4,000 a year with \$400 maximum allowed if minister is under 60 years of age.

The Health Benefit Plan

Enrollment has reached 10,054 in this plan. The plan is an all-inclusive program of hospital, surgical and major medical benefits. It is open from now until November 30, 1966 for enrollment.

Benefits Paid

In 1965, almost \$4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program.

Members In Annuity Board Plans

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention Agencies who have protection programs with the Annuity Board.

Stanly Association has 32 churches or 64 per cent enrolled with only 20 churches or 40 per cent paying the total 10 per cent.

For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. 27603.

Respectfully Submitted,
J. Gad Speight

Report on Christian Education

It is doubtful if more than a small minority of our North Carolina Baptist people even begin to realize the value of their seven Baptist colleges.

The enrollment of these seven colleges was 11,414 last fall. While we do not have the enrollment figures for this fall, we could reasonably assume that the enrollment has now reached approximately 12,000 young people.

It may be, indeed should be, of vital interest to note that almost 600 of these young people are planning to give their lives to one of the many Christian vocations.

From the standpoint of property value, our seven colleges have a value of more than \$65,000,000. From the standpoint of service, they have sent forth to serve in our world, more than 48,000 young men and women. From the standpoint of what they have meant to the Kingdom of God, only eternity can reveal.

Within the last year, North Carolina Baptists, through the cooperative program and special offerings have provided approximately \$1,500,000 for our colleges. This amount seems large, and it is, yet the fact remains that the need is always greater than the income, for education is always expensive.

Some are calling for us to accept Federal Government Aid so that our colleges might compete with other institutions. We feel, however, that the best answer is for North Carolina Baptist to look again at their schools and provide aid. Last year we gave only about \$1.50 per church member for education. Certainly we should do far better than that.

Respectfully submitted,
Macon P. Greene

The American Bible Society

During 1965 the American Bible Society—

- published some part of the Bible in 1250 languages; the full Bible in 237, a Testament in 237 more, a Gospel or other complete book in 716 more—but still counted over 1000 more languages in which not one book of the Bible has yet been published—and continued to expand its service in Bible translation work throughout the world.
- gave over 745,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- continued programs throughout Latin America for training laymen in Scripture distribution in their own communities—and planned for similar work in other areas of the world.
- distributed a record total of over 54 million Scripture volumes in more than 400 languages, in 149 countries—with more than half the total going to other countries—and continued in the task of greatly increasing its annual distribution to meet urgent worldwide needs.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptists believe in the missionary importance of giving to the American Bible Society. In 1965 Southern Baptist churches gave \$226,731 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled \$1,333,058.

The help of every Southern Baptist church is needed. **Southern Baptist churches can continue to lead—if every church will give. Has your**

church given this year? Here are suggestions, based on what many churches are now giving:

Every church can give at least these amounts each year:

Small churches	\$10 to \$60
Larger churches	\$60 to \$300
Great city churches	\$300 to \$600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Respectfully submitted,
Tom Chandler

Resolutions Report for 1966

On behalf of the Stanly Baptist Association in session for 1966 we wish to thank the North Albemarle Baptist Church and the Highland Baptist Church for all they have done to make the two days with them a great success: for the convenience of the buildings, the fine food served, and the good hospitality of the people.

To the program committee and the officers of the Association for a fine program. To all speakers and all who had any part on the program for good work done.

To the Stanley News and Press, stations W.A.B.Z. and W.Z.K.Y. for the news coverage and the fine announcements of the program.

To the Pleasant Grove Baptist Church, its pastor, Rev. Greene and people for presenting the new gavel to the Stanley Baptist Association.

To all who attended and all who helped in any way to help make a good session. Thank you.

Report of Executive Committee

The Stanly Baptist Association during the interim has met at the stated times as provided by our Constitution. The following items have been acted upon by the Executive Committee.

1. The Moderator was given authority to appoint a committee to plan for our Seminary Extension work in our association.
This was done and we are in the midst of our nine weeks study at this time.
2. The Executive committee sent application to the N. C. Baptist State Convention requesting assistance in the amount of \$720.00 for our Associational program. This was approved by our Convention.
3. We have reactivated our Sunday School Department on the Associational level. Mr. Grady Murray was elected to serve as our Supt. Department leaders have also been elected, and we urge all churches to support and attend our meetings.
4. The Executive Committee also urges each of our churches to pray and consider seriously the "New Five Year Spiritual Growth Program", and if possible enter into this effort.
Group leaders to serve for the "Five year spiritual growth program" were appointed. They are: Group one—Rev. Farrell Shimpock. Group two—Rev. Eugene Johns. Group three—Rev. C. Eugene Carroll. Group Four—Rev. Macon Green. Group five—Rev. A. M. Kiser and Group Six—Rev. George W. Huggins.
5. The Executive Committee encouraged each church to study the "New Life and Work Curriculum", and then use either the new material or continue to use the international Sunday School material, which ever is deemed best for each local situation.
6. Proposed Budget was presented and approved for the year 1966-67, to be presented to the Association for adoption.
7. The Executive Committee voted to make request to the N. C. Baptist State Convention for support in the amount of \$720.00 for our Associational program year 1966-67.
8. The Executive Committee voted to buy an electric Addressing machine for our Associational Office.

Respectfully submitted,
George W. Huggins, Vice
moderator Stanly Baptist Ass'n.

Baptist Hospital Report

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care. All of these are vital to the comprehensive program of Medical Missions our N. C. Baptist Hospital is seeking to carry on in the name of Christ.

The kind of medical care provided by our Hospital is very expensive and the Hospital has no choice but to ask full payment of all who can pay. The hospital has been spending in free care for our people far more than it receives from our Mother's Day Offering, the Cooperative Program, and all welfare agencies combined. Medicare is not going to change the situation greatly. Our people need to understand this and to

recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

We observe that a number of churches that formerly supported the Mother's Day offering did not do so this past church year. We trust prayerful consideration will be given to this need next year and that some contribution will be given.

Respectfully submitted,
Eugene E. Johns,
Hospital Representative

North Carolina Baptist Homes for the Aging

Reflection on the past year of life in our Baptist Homes makes us constantly aware of the bountiful way that God has blessed. During the last year, we have ministered to 172 deserving older persons. This was made possible because of the love gifts of Baptists of our state through the Special Day offerings in February and through our share in the Cooperative Program. About 85% of the residents benefitted directly from these gifts. The Special Day offering for 1966 amounted to about \$106,000.00. This is very good and we are profoundly grateful. Even though there was a 5% increase in the offering, costs increased 7%.

Many miracles have been experienced during the past year. There have been fewer deaths, and many of the critically ill have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality. Your concern and your gifts go a long way in ministering to the needs of these people.

We anticipate that our fifth Home—Yanceyville—will be completed during the coming year. We will then, be able to minister to 200 older men and women.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of all Baptist. We are counting heavily upon you for support so urgently needed for our aging people.

Respectfully submitted,
Roy E. Drye

Cooperative Program Report

A pressing need of each church in our Association is an undergirding of the Cooperative Program through prayer. The Cooperative Program must be nurtured in prayer, because information alone is not enough. The month of October has been set apart as Cooperative Program month in which the churches are asked to have a special prayer for some mission cause supported through the Cooperative Program.

Not only should we pray for the Cooperative Program, but we should inform our members what is being accomplished through the Cooperative Program in our State and Southern Conventions. The best place to get this information is from the Division of Stewardship Promotion, P. O. Box 9523, Raleigh, North Carolina. If more of our churches would inform their members of what is being done through the Cooperative Program, we believe that there would be a deeper interest on the part of our churches.

We are happy to report that we are making progress by giving

through the Cooperative Program. Each year more of our churches are increasing Cooperative Program giving. Dr. Crouch informs us in his last issue of his Newsletter that at the end of August, our increase for the Cooperative Program in our State was 11.23% ahead of last year. Last year at the end of August, we were just 3.5% ahead of 1964.

Several Associations in North Carolina have 100% of their churches giving through the Cooperative Program. We are praying that the time will soon come when we shall have 100% of the churches in the Stanly Association giving. According to available records our Association gave a total of \$45,859 this past year through the Cooperative Program. 3 churches did not share in world missions through the Cooperative Program in our Association this past year. Let us with enthusiasm determine that this new year will be a time when we shall share regularly through the Cooperative Program for the benefit of a lost world.

We recommend:

1. That every church plan a stewardship program to promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes, and designate the month of October for a Program of Prayer Emphasis.
3. That the churches give regularly through the Cooperative Program.

C. R. Hinton

The Baptist Children's Home of North Carolina

Our North Carolina Baptist ministry of child care has sent out thousands of sons and daughters to make a useful contribution to their respective communities throughout the world. Our already progressive program of group care in each of our Homes is being strengthened in many respects. The demonstration Child Development Program for pre-school children has had an excellent year of operation on the Mills Home campus. Constant attention is being given to more effective ways of meeting the needs of all types of children who are deprived of a normal Christian home environment and are referred to us for assistance. More good Christian homes for the care of foster children are needed in all section of our state. Foster home parents of varying ages and circumstances in life find this a very challenging and rewarding opportunity for Christian service.

We are indeed grateful for increasing income through the Cooperative Program and the last year's Thanksgiving Offering was the largest ever and is providing nearly one-third of the financial support of our entire operating budget. Special gifts and designations continue to provide a substantial part of our total income. Through estate planning and the making of Christian wills and increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services which we provide through our Baptist Children's Homes. Let us continue to unite ourselves in Christian service to offer nurture to needy children of our state.

Respectfully submitted,
N. A. Hayes

Report on Evangelism

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

Respectfully submitted,
Farrell Shimpock

Sunday School Report 1965-1966

As you know we did not have an Associational Sunday School Department this year until the last part of the year.

We are glad to report that we have workers for this year 1966-1967.

We do hope we can get some work done this year that needs to be done so badly. Your Associational workers will need the help of all the church pastors—Sunday School Supt. and all church members.

The statistics in this report tells something of the Sunday School story of the Stanly Baptist Association for the past years.

YEAR	GRAND ENROLLMENT	AVERAGE ATTENDANCE
1958	12,105	7,493
1959	12,066	7,584
1960	12,051	7,280
1961	12,002	7,619
1962	11,744	7,420
1963	11,838	7,440
1964	12,034	7,166
1965	11,389	6,666

We as Associational workers believe the Sunday School through the years has proven to be a great agency of enlisting, training and evangelizing people for the advancement of God's Kingdom.

Today as never before as Southern Baptist we are faced with a great challenge which we cannot afford to evade. We have so many people in our state and world who are not affiliated with any church, the challenge is ours.

We believe the Five Year Spiritual Growth Program is the place to start this great movement of enlisting people. We believe the Sunday School is the best place to teach the Bible to this vast number of people. We pray that we will be joined by all in accepting the opportunity of lifting up a high standard for our people. We believe that our people will follow just as far as they are led by their pastor and other Church leaders. We believe that Evangelism is central in the purpose of the Sunday School, and the Sunday School is Central in the program of evangelism.

We hope that each local Sunday School will co-operate fully by attending the associational meetings. May we heed the advice of Paul to Timothy; "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Respectfully submitted,
Grady Murray

Annual Training Union Report to the Association

The year 1965-66 has been a busy year of change in Curriculum and organizational plans, with many new ideas and materials presented for the improvement of Training Union work.

Your Associational Director has visited five churches throughout the year. We have assisted in the organization of one new Training Union, and four new unions and four new departments. Special projects engaged in include: M-Night in December with 231 present, including 23 churches, 17 pastors, and 14 local church Directors. Junior Memory Tournaments representing three churches with 16 Associational winners, and 16 regional winners. A total of 16 participated in the State Junior Memory Work Tournament with 16 winners. The following Juniors were four year state winners in Junior Memory work: West Albemarle—Karen Cook, Lindsey Dunevant, Donna Lowder, Kim Perry, and Gail Waller.

Youth Night was observed in the Association during the month of March in cooperation with Youth Week at the First Baptist, Albemarle, with 175 present from 10 churches and seven pastors.

We have 23 Training Unions in our Association with an enrollment of 1,514. Our goal next year is 25 Training Unions with an enrollment of 2,000.

May I urge each of you to study and stay up to date with current Training Union materials, especially the **Training Union Magazine**, and the **New Training Union Curriculum** materials for Young People and Adults. Also, we thank you for your prayers, and support.

Respectfully submitted,
A. M. Kiser,
Associational Director

Woman's Missionary Union Report

The theme for the year 1965-1966 was "A Church Fulfilling Its Mission Through Proclamation and Witness". Christ's church buildings are not places of sanctuary for his believers: they are the places where his church worships, is trained, instructed, and inspired to go out to do his work in the world. Christians proclaim the wonderful truth that Christ died for all, and they witness in their lives to the power of the Holy Spirit.

Our watchword for the year was Revelation 14:6: "Having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people." We have 43 societies with a membership of 1,166; 12 YWA organizations with 94 members; 67 GA organizations with 629 members; 53 Sunbeam Bands with 488 Members Honor W.M.U., Oakboro First, for 5th year.

The Annual Leadership Conference was held the first Monday night in October at South Albemarle Baptist Church. In February, the 7½ hour Leadership Course was held for WMS, GA, and Sunbeam Band leaders. The Leadership Course for YWA leaders was held in May, led by Miss Sara Ann Hobbs, State YWA leader.

Girls Auxiliary held quarterly meetings with an average attendance of 263. Missionary Earl Farthing of Japan was guest speaker at the May meeting. The first Associational GA study course was offered at the quarterly meeting in August. The book taught was DARED TO SHARE, a stewardship book.

The Sunbeam Day Camp for 8 years olds was held at First Baptist Church in Albemarle in August.

Three Prayer Retreats were held in different sections of our Association with churches in the various sections participating.

The Annual Session of the WMU met at the Norwood Baptist Church on April 12. Mrs. J. F. Gilreath, Jr., State Community Missions director, and Miss Olive Lawton, missionary to the Phillipines, were guest speakers.

Mrs. L. J. McNeill of Norwood completed five years as President of Stanly WMU. Under her leadership the Associational WMU has been expertly organized and the program of world missions advanced.

Throughout the year the officers of the Associational WMU have offered guidance in order that our churches might win the lost and the unenlisted, and might major on family witnessing, as well as personal witnessing, day by day.

Respectfully submitted,

Mrs. Elroy Lamb,

Assoc. WMU President

State Missions Report

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ, and teach, enlist and train the saved in giving, living, and serving through the churches and throughout the world.

The growing population of our church demands that new churches be organized and that existing churches grow stronger. State Missions provides the ministries that are necessary for the cause of Christ to be proclaimed throughout North Carolina.

These ministries provide for Church Lot Assistance in securing sites for future buildings. Church Loan Funds to be used by new missions and churches that find it difficult to secure Commercial loans, Associational Missions which is the basic unit of cooperative endeavor among Baptists, Schools of Missions to stimulate soul-winning and encourage churches to become more concerned about the commands of our Lord, Institutional Ministries serve the patients and inmates of McCain Sanatorium and help to rehabilitate boys and girls by giving them proper moral and spiritual guidance, the Department of Interracial Cooperation is bringing about a more Christlike understanding on the part of all people that the problems of race relations can be resolved through Christian love, the deaf people are able to "see and hear" the gospel of Christ through the services of the Department of Deaf Missions, the Church Development Department continues to assist with pastoral aid as well as progressive programs of church expansion and development, Fruitland Baptist Bible Institute gives special and particular attention to those who receive the call to a church related vocation late in life, our own association is at present receiving assistance from the Seminary Extension Department, Truell Camp serves RA's, GA's, Sunbeams, young people and pastors; the Christian Study and Fellowship at Mars Hill College provides a program of Bible study, worship, fellowship and recreation for pastors and their families, the Cherokee Indian Ministry is making progress in every area of its ministry, and the Military Personnel Ministries is engaged in work with the military personnel and the Japanese wives and families of military men in seeking to relate them to the churches.

North Carolina has a great State Missions Program; may we give it our best in money and prayer.

Respectfully submitted,
Mrs. Eugene Carroll

Home Missions Report

In supporting missions in the United States, Cuba, Puerto Rico and Panama Southern Baptists channeled more than \$7,900,000 through the Home Mission Board. The Cooperative Program provided \$4,365,353, including the largest Advance Section in history, \$911,753, and the Annie Armstrong Offering, promoted by the W. M. U., provided a record \$3,573,146.

Disaster Relief—became a permanent ministry of the agency in the Department of Christian Social Ministries, and \$50,000 was allocated from the Advance Section for aid to hurricane stricken areas in Louisiana.

The missionary force of over 2,000 is mostly employed under the cooperative agreements with State Baptist Conventions. The lowered figure of the number of missionaries is due to a restudy of missionary categories. In addition, 656 students are employed for ten weeks for the summer of 1966, and the first group of U S 2ers (College graduates for two-year terms) and the first of the Christian Service Corps (Mature lay persons for short terms of voluntary service) were appointed.

The Twelve Programs—through which the Home Mission Board seeks to bring our land to know Christ are the following:

Evangelism Development, Chaplaincy Ministries, Church Loans, Establishing New Churches and Church-type Missions, Associational Administration Service, Pioneer Missions, Rural-Urban Missions, Metropolitan Missions, Language Missions, Work with National Baptists, Christian Social Ministries, Work Related to Non-evangelicals.

Active duty chaplains increased during the year, matching the increased manpower and readiness in Viet Nam. Some fifty Southern Baptist chaplains were ordered to duty during the past year, and now 528 serve with the army, navy and air force; and the figure is expected to reach 600 before the end of 1966.

There is need for 186 Home Missionaries. Needs in our land are greater today than ever before.

Without prayer support your Home Mission Board cannot get along. Prayer is one way every one can participate in giving God's word to the people in our land and other lands.

Respectfully submitted,
John H. Connell

Foreign Mission Report

The Foreign Missions report is always a time of rejoicing and rededication among baptist people. We take seriously the mandate of our Master to "go into all the world and preach the gospel of reconciliation." As we hear of the sacrifices and faithful service of our missionaries, we are challenged to do more for the cause of Christ around the world.

Our latest report from the Foreign Mission Board reveals some very thrilling facts. This report shows we now have almost 2,200 missionaries at work, witnessing in 62 countries. Our Foreign Mission Budget for 1967 will be in excess of 27 million dollars. This will be two million dollars larger than the 1966 budget. This budget will provide the necessary financial support for our dedicated missionaries, as they carry on their ministries of evangelism, Christian education, medical work, publication radio and television, good will centers and many other acts of mercy which demonstrates Christian compassion and concern for lost humanity.

The funds to finance this program which represents our concern for a lost world comes through two channels. First, the Cooperative Program and second, the Lottie Moon Christmas Offering. These two ever-increasing streams of dollars given by baptists people who love Jesus Christ and His world mission of redemption, flow out as a mighty stream of love and concern to a needy world.

The work of our missionaries has not been easy in the troubled areas of the world. They have with faith and courage continued their witness in Vietnam, Pakistan, Indonesia, Nigeria, Rhodesia and the Dominican Republic where the ravages of war and hatred must be faced each day.

The world in which we live today, is a lost world, a needy world. What our world needs is a transforming experience which Jesus Christ alone can give. As Missionary Baptists, let us hear and heed these words from Romans 10:13-15. "For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach except they be sent? As it is written, how beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!"

May God give the Baptist people the grace to continue to give their sons and daughters and their material substance until the knowledge of Christ shall cover this earth as the waters cover the sea.

Respectfully submitted,
E. W. Pate

Report of Superintendent of Missions

A review of our records for the past Associational year reveals the following as among the things done by your Supt. of Missions.

Attended State V.B.S. Clinic at Wingate College with team from this Association and assisted in planning and conducting Clinic here under the leadership of Mr. Dallas Prestwood.

Prepared and distributed 5,000 mimeographed VBS Joint Worship Service Sheets (also much other mimeographed materials for schools).

Assisted in VBS in one of our churches where there had been no school in many years.

The policy of visiting each church for **at least one Sunday Service each year** has been continued—many other services in the churches have been attended by your Supt. of Missions.

I have accepted every opportunity and every request for service in and to the churches, whenever it was possible to do so.

There have been 32 associational meetings which I have attended. Also attended workshops and conferences for the Superintendents of Missions—2 days at Raleigh, one week each at Fruitland Baptist Camp and Ridgecrest Baptist Assembly.

10 services or meetings were conducted other than in churches.

Attended 7 Statewide meetings.

Attended 12 Area or Regional meetings or outside the association.

Assisted in planning for Seminary Extension Center which is now in progress in our association.

We are happy to have our Sunday School work organized and functioning on an associational basis again. We urge every church and every person interested in effective Sunday School work to give active support to our leaders and the program of activities for helping each church to do a better job in this very important phase of our work for the advancement of the Kingdom of God.

It is our desire to promote programs and ideas and to cooperate with every effort in our association to strengthen our churches in the work of the Kingdom.

Respectfully submitted,

J. Clifton Dunevant

Cooperative Program Report

We are engaged as a nation in a terrible struggle in Viet Nam. Thousands of our young men have been killed and thousands of others have been wounded in this conflict. It is unthinkable that we as a nation would send our boys to battle without proper training and necessary supplies for them to be able to battle the enemy.

This world is in a great spiritual conflict. God is calling from our churches men and women as soldiers of the cross to enter the battle. It is just as unthinkable for us to send these soldiers of the cross into battle without proper training and supplies to do the job for Christ as it is to send our armed forces.

When we support our Cooperative Program we have a world-wide program of ministry. One thing that is sure in the scripture, the great commission is not designated. It is world-wide in its scope. This is why we believe that we as Southern Baptists have the greatest missionary program in the world.

It is my prayer that we will see the day before long when each of our churches in this association will be giving at least 10 per cent of their income through the cooperative program.

Jesus said "Go into all the world and preach the gospel." I would add, "The church that doesn't go, can't stay, neither does it deserve to stay".

Respectfully submitted,
W. J. TAYLOR.

Report on Evangelism

This past year the churches of our association baptized 438 persons. This represents a ratio of one baptism for every 32 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a witness" must be more than a slogan, it must be a reality in our lives.

Our Churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches of the "Other Americas" initiated in July-August, 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May - June - July - August, 1968.

NATION-WIDE VISITATION WITNESSING: September - November, 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6 - 20; April 27 - May 11, 1969.

NATION-WIDE EMPHASIS OF NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revival. Study of book "Daring Discipleship" and launch new member orientation.

Special Emphasis in North Carolina on Christian Maturity: January 1-December 31, 1970.

Respectfully submitted,
FARRELL SHIMPOCK.

Annuity Report — 1966 - 67

NEW SOUTHERN BAPTIST PROTECTION PROGRAM

Response to the new Program of family and retirement Protection this year indicated that it was being enthusiastically accepted by ministers and denominational employees.

The new Program called the Southern Baptist Protection Program provides additional benefits for disability, new benefits for children, education of children and dependent Parent. These extra benefits are in Plan "A". The Age Security is now called Plan "B", and the Variable Benefit Plan is now Plan "C". These are incorporated into one Plan requiring only one certificate.

ANNUITANTS RECEIVE DIVIDEND CHECK

Because of action taken by the trustees of the Annuity Board in February each person receiving a guaranteed benefit from the Board will receive a dividend check annually, providing the Board realizes an excess in interest earnings.

Benefit checks paid each year vary in amounts, depending on the length of service and the amount of dues paid into the Program by the members. In 1966 \$4,256,244 was paid out.

The cost of living continues to climb. Now, ten per cent dues on

the total salary is the minimum that is recommended. A church may participate on the total salary of its pastor or other employees.

As of December 31, 1966, some 1,492 had joined PLAN "A" of the Program. A total of 18,328 churches were providing the Protection for their ministers and staff members.

In the 176 agencies of the state conventions and the Southern Baptist Convention a total of 8,121 persons are protected, in the agency programs.

Rev. Guy Cain promotes the Protection Program in North Carolina and will furnish you information about any of the plans in the Program. You may contact him at 301 Hillsboro Street, Raleigh, N. C. 27603.

Respectfully submitted,
CLYDE H. WHITLEY.

Baptist Hospital Report — 1967

Many changes have taken place in the field of medicine in recent years. Since the Baptist Hospital and Medical School joined hands to form our Baptist Medical Center in 1941 the change has been very rapid. Our Baptist Medical Center has kept pace and contributed to the changes.

There are new means of diagnosing our ills. New drugs are being developed almost daily. New techniques of treating our ills have been perfected. New instruments are also being employed. New and better facilities are now available.

A new concept in medicine has developed which recognizes the patient as a person, and not just a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems.

Such important progress necessarily means greatly increased costs. But the high cost is more than offset by service which gives us better health, more relief from suffering and added years to life.

The Mother's Day Offering is needed more than ever before. An extra effort this past year resulted in the largest offering our association has ever given. As of August 31, three fourths of the churches of our association had contributed \$5,572.18 to the 1967 Mother's Day Offering. The need remains great. Let us continue to pray for our Baptist Medical Center and give as God by His Spirit would lead us.

Respectfully submitted,
EUGENE E. JOHNS.

North Carolina Baptist Homes for the Aging 1967 Associational Report

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. The new Home at Yanceyville is now ready to be occupied. This will give us space for 30 more residents, making a total of 200 deserving older men and women in our care in all of the Homes.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents — the Special Day Offering, received on the 3rd Sunday in February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is very commendable, but when we

face the reality of costs, which have advanced 20%, and maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your five Homes exist for the people from all over our great State. These Homes could not operate without your love, your prayers, your concern, and your financial support.

We want to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

Respectfully submitted,
ROY E. DRYE.

Baptist Children's Homes Report

One of the greatest privileges of life is the helping of children and young people to grow and develop toward Christian maturity. No task is more important than helping a child grow into healthy, well-adjusted, responsible citizenship. The staff and trustees of our Baptist Children's Homes are committed to this great task. Our Homes are continually providing a program of Child Care that should merit the undivided support and loyalty of our people and that will bring favor to our Lord.

A total of 33 cottages on five campuses are providing group care of many different kinds. In June 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This home was provided by an individual's special gift, which continues to provide a substantial part of our total income.

A similar cottage is now under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

During the 1967-1968 session the Child Development Center on the Mills Home campus will serve 70 children and their parents in day care and nursery work. The staff is providing consulting services upon request to churches interested in this program.

The foster home program is now meeting the needs of many children and if any of our people should have an "extra measure of love" to share in this way the Homes would like to know of their interest.

We are indeed grateful for your support, for this ministry of love is dependent upon the concern, the love, the prayers and continued financial support of all Baptists.

Respectfully submitted,
HENRY O. BELL.

Sunday School Report — 1966 - 67

It is a great privilege that we can make an encouraging report on Sunday School for this year. This year in our Association we had three very good meetings with all of our department leaders present at each meeting. The attendance at the meetings was good but we think it should have and could have been better. I want to thank each and every one that took part in the planning and giving of their time and prayers this past year.

The Sunday School through the years has proven to be the very best agency of enlisting, training, and teaching the Bible. Today as never before we, as Southern Baptists are faced with the challenge of witnessing

for our Lord Jesus Christ. The word "Witness" has an importance in the Christian Gospel which is not always recognized.

It was Christ's intention to spread his teachings by a very simple method of having one believer tell all unbelievers what God has done for him.

Witnessing is the duty of every Christian in every age. Almost the last words of Christ were: "Ye shall be witnesses unto me both in Jerusalem and in all Judaea, and in Samaria, and unto the uttermost part of the earth. Acts 1:8.

In our Associational Sunday School Department I think we have some of the finest Christian people and they are ready to help the Churches in any way they can. I want to thank them for a job well done last year and hope that we can do even better this next year.

We want the prayers and support of all the Churches in our work so that we can do the very best job possible for our Lord's work. The Sunday School has a big task to do in teaching, training, witnessing and Evangelism. The local Sunday School worker and the pastors and superintendents working together this job can be done better. So let us all do our very best this next year.

Respectfully submitted,
GRADY MURRAY.

Annual Training Union Report to the Association

The year 1966-67 has been a busy and exciting year of change in Curriculum and Organizational plans with many new ideas and materials presented for the improvement of our Training Unions.

Special projects engaged in include: M-Night in December with 150 present; including 21 churches, 16 pastors, 14 local directors; Junior Memory Tournaments, with 14 Associational winners, 14 Regional winners, and 13 State winners. This represents a total of 14 people from two churches, West Albemarle, and First Baptist, Albemarle.

Many churches observed Youth Week at different times during the year. The Associational Youth work was reorganized by Rev. James Hartsell, Youth Director, with several meetings held during the year. Plans are being made for M-Night in December and a song festival during the Fall months. Approximately 35 young people went by bus to a Youth for Christ Meeting at Morganton. These young people, representing about 7 Churches, paid half of the transportation and the Association paid the remainder.

We have 21 Training Unions in our Association with an enrollment of 1,441. Our goal for next year is 25 Training Unions with an enrollment of 1,700.

One Leadership Meeting was held at the First Baptist Church, Oakboro with 50 present.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union Magazine, and the New Training Union Curriculum materials for all age groups. Also may I thank you for your prayers, and support in Training Union Work during the last three years and I am sure you will give the same support to your new director next year.

Respectfully submitted,
REV. A. M. KISER.

Woman's Missionary Union Report

During the year of emphasis on Education the WMU focused on the task of teaching missions. Our watchword was II Peter 3:18: "But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ."

We have 44 societies with a membership of 1,197; 18 YWA organizations with 133 members; 68 GA organizations with 789 members; 50 Sunbeam Bands with 545 members.

The Annual Leadership Conference was held October 3 at First Baptist Church, Albemarle. The Girls Auxiliary held quarterly meetings with an average attendance of 221. Mrs. Glenn Hix, missionary to Taiwan, was guest speaker at the May Rally. At the August meeting a study course was taught by Mrs. Robert Scarboro on the book "How To Pray."

The Annual Session of the WMU met at the Badin Baptist Church on April 11. Mrs. B. Terry Thorpe, missionary to Malawi, was the guest speaker.

WMU gives an opportunity for spiritual adventure. This is our investment for a better world. Not one of us are content with our growth in numbers, mission action, prayer life or knowledge of the kingdom. The church fulfills its mission only as each member fulfills her own. Tomorrow's report is being written today! What will it be?

Respectfully submitted,
MRS. ELROY LAMB

State Missions

The missionary spirit and efforts among Baptists in North Carolina are on the increase. In 1965 the churches in Stanly Association gave \$3,-8.00 to State missions. In 1966 the amount was \$3,659.00. An increase of \$141.00. 1967's report shows \$3,480.00, a decrease of \$179.00.

All the efforts and money given to State missions are dedicated to the worship of God. State missions offers many opportunities for personal and cooperative witnessing, and work.

State missions support the assemblies and camps in North Carolina, where every member may go, and find food for thought, and fellowship with God, and his people. Through these various places many Christians have become more effective in witnessing to the unsaved, and many have found out what God's personal will for their life is.

State missions help to provide a better understanding and relationship between the races of people in North Carolina. Gives encouragement through visitation and prayer to the sick, especially those confined to the McCain Sanatorium. Through State missions many juvenile boys and girls at Morrison, and Samarcand Training Schools are won to Christ, and rehabilitated as responsible citizens.

State missions is a part of each Christian's personal effort in presenting Christ, as "the Way, the Truth, and the Life". The effectiveness of State missions depends upon the Holy Spirit working through each member of every Baptist church. For a broader understanding of the work of State missions, read the September 2nd issue of your Biblical Recorder.

Respectfully submitted,
H. A. BYERS.

Home Missions Report

Record support for Home Missions came during the year through the Cooperative Program, (4.7 million) and the Annie Armstrong offering (4 million). The goal for the Annie Armstrong offering was reached for the first time since 1961.

Even with this record support there are some pressing needs that remain unmet. The Home Missions Board needs 181 missionaries immediately, and this need will continue to increase in the months ahead.

Vietnam military forces were served by 100 of the record 849 Southern Baptist military chaplains serving on active duty. Efforts, have and are being made to strengthen the ministry of Chaplains with hospitals, institutions, industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

Disaster was the word from Fairbanks, Alaska as all the Baptist Churches in that city were badly damaged as a result of the flood. Let us be thankful that financial help for disaster relief through the Advanced Section of the Cooperative Program reached near \$235,000 during 1967. This fund (disaster relief) was started in 1966 with \$50,000.

An urgent appeal for a minimum of 10 volunteers to repair damaged churches in the Fairbanks area was reached almost immediately. These skilled workmen went from many states at their own expense and gave their work and time without compensation.

There has been a noticeable change in attitudes among Southern Baptists toward the race problem and cooperation with National Baptists (Negro Convention) are slowly beginning to emerge — more open discussion, more involvement, and a seeking after better relationships are reported by the Department of Work with National Baptists.

Let us continue to support the Home Missions Board through prayer and financial help. God's word is much needed in the midst of these changing times.

Respectfully submitted,
RAEFORD W. COOKE,

Foreign Missions Report

"With the upsurge in world population, we must take advantage of the media of mass communication. We must move with vision and courage along the avenues of sharing the Gospel of Christ in the world of our day," states Baker J. Cauthen, Executive Secretary of the Foreign Missions Board.

Southern Baptist missionaries were under appointment to 65 countries or political entities on May 1, 1967. During 1966 a couple took up residence in Ivory Coast, and a couple was appointed for Morocco. Missionaries, appointed in early 1967, are awaiting permission to enter Ethiopia and Botswana.

At the close of 1966 the Southern Baptist Foreign Missions Board had an overseas missionary staff of 2,208. This included 65 missionary associates, 7 special project nurses, and 92 missionary journeymen. Appointments during the year totaled 207 (131 career, 20 associates, 48 journeymen, 3 special project medical persons, and 5 reappointed). Between January and May, 1967 45 more were added.

Even with the additional appointments, many missionary personnel needs are still unmet. Preachers and medical people continue to be most urgently requested. Also, there are calls for those trained in teaching, business, agriculture, radio and TV, journalism, and student work.

The leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavors. Years of foreign mission

labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources. At the year's end there were 4,707 churches (3,076 self supporting), 6,542 mission points, and 3,904 national pastors related to our Southern Baptist work. These reported 51,680 baptisms, 528,958 church members, and 604,487 enrolled in Sunday School.

Evangelistic campaigns were held in 10 Latin-American countries and in Ghana and Japan. Conferences on evangelism were conducted in Kenya and Liberia with attendance coming from 10 African nations. Eight Orient countries participated in the Asia Sunday School Crusade.

The 1,181 schools related to our Missions in 41 countries had an enrollment of 185,050 students with a staff of 6,256 national and 387 missionary teachers and administrators. Among the schools are 43 theological institutions with 1,559 students and 6 women's training schools with 603 enrolled.

Total contributions of Southern Baptists for foreign missions amounted Lottie Moon Christmas offering had reached a total of \$13,760,746.80 by May to \$27,047,200 as 1966 closed (an increase of \$2,063,276 over 1965). The 1966 1, 1967.

May God give us vision of the task that is before us and dedication to meet the task.

Respectfully submitted,
W. J. TAYLOR.

Report on Christian Education

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. As of October 1, 1966, there were enrolled in the North Carolina Baptist Colleges 11,347 students. This represents approximately the same number enrolled last year. There are four senior colleges: Campbell, Buies Creek, 2,267; Mars Hill, Mars Hill, 1,371; Meredith, Raleigh, 930; and Wake Forest University, Winston-Salem, 3,022; and three junior colleges: Chowan, Murfreesboro, 1,234; Gardner-Webb, Boiling Springs, 1,262; and Wingate, Wingate, 1,561.

Vital to our schools' continuing growth and improvement is the sustained financial and moral support of alumni, friends, and the Cooperative Program of N. C. Baptists. The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967, \$1,578,960 was budgeted.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges. These men and women return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the communities where they work.

Respectfully submitted,
DALLAS PRESTWOOD.

Report on Christian Literature

"Give attendance to reading," Paul advised Timothy. Nothing can take the place of the Bible. We need to read God's Word, apply it to our lives, and do our best to live by its teachings. The only way for a Christian to grow into a healthy child of God is to develop the daily habit of reading his Bible. God's Word is being sadly neglected in many of our homes. Jesus rebuked Satan by quoting scripture. Can you?

A tidal wave of smut and filth is sweeping America — it is big business and is growing bigger. The United States has been dubbed the "smut capital of the world." A billion copies of comic books costing \$100 million dollars are sold in the United States each year. What are you reading?

Our state paper, the Biblical Recorder, should be in every Baptist home in North Carolina. Surely no Baptist family should be without the Recorder for only 4c per week. Other important publications are Charity and Children, a must for every Baptist family in North Carolina, The Commission, Home Missions, Home Life, The Beam, Royal Service, and a vast array of Pamphlets and tracts.

Rest assured when you read Baptist literature you are reading the BEST. You may be a good Baptist without reading Baptist literature, but you will be a much better one, well-informed and enlightened, by reading the wide range of printed matter available through our Baptist Press.

Respectfully submitted,
MRS. M. A. SMALL.

Report of the Superintendent of Missions

As the Associational year of 1966-67 has come and gone we believe the records of our churches will show advance in some phases of our work, while in other areas we have not advanced as we should. Reports from evangelistic efforts and revivals have been most encouraging. Dedication and Commitment of ourselves in God's services is a necessity for those of us who accept Christ as Lord.

The four emphases reported in the report of the Executive Committee (Deacons School, Family Life Conference, Crusade of Americas, and School of Missions) scheduled for the next three years give to us as churches and individuals great opportunities — please plan to make the most of these opportunities.

Here are some of the statistics of the 1966-67 year:

Attended V. B. S. Clinic at Wingate and assisted in Clinic here
Assisted one small church in V. B. S.

Prepared for churches 5,000 V. B. S. Joint Worship sheets; plus thousands (3 or 4) of other mimeographed sheets.

38 meetings attended in Stanly. (In addition to church services.)

9 services conducted other than churches. Preached at Homecoming — former pastorate. Week of School Missions — Rowan Association. Preached in revival meeting outside association.

7 statewide meeting attended.

10 Regional or Area meetings attended.

Assisted in planning for Seminary Extension Center.

Our sincere apologies for the irregularity of the associational bulletin. We will endeavor to avoid this in the coming year (and hope addressing equipment will work better).

Opportunities for services in our churches have been more frequent

than ever the past year, for which I am truly grateful. I have tried to use every opportunity wisely.

Let me say again a heartfelt and sincere "Thank You" for the generous gift and expressions of love and concern in the illness and death of Mrs. Dunevant's mother in London, England. Her visit to England will be remembered with gratitude.

I believe our association of churches is looking forward to greater things under the leadership of our Associational leaders and under the leadership of the Holy Spirit—in every phase of our work. Holy Spirit—in every phase of our work.

Respectfully submitted,
J. C. DUNEVANT.

Report of the Committee to Study Pastors' Salaries

Many of our laymen have recently expressed concern over the relatively low level of salaries our churches are paying their pastors. Our committee, composed of five laymen, believes that many of our churches are asking their pastors to serve at a compensation level far below that usually enjoyed by other professional people in the community with similar education and training. Salary levels in our association are in many cases unrealistic in light of present-day living costs and extra expenses which are necessary to the church pastor. The committee makes the following recommendations:

1. Salary

- a. For those churches in the Association with more than 200 members served by a trained, experienced, full-time pastor, we recommend that the **minimum** basic salary be \$6,000.00 per year.
- b. For the churches in the Association, which have memberships under

200, our committee strongly recommends that salaries be increased by substantial percentages within the limits of the available budget. There are some churches which should double their present pastors' salaries.

2. Annual Review

All churches should review the pastor's salary at least once each year. Rapid rises in the cost of living and tax increases make such a review imperative.

3. Other Remuneration and Expense Allowance

Because the pastor has a number of expenses which he must bear in connection with his pastoral duties, our committee feels that the church should provide expense allowances in addition to a basic salary to include at least the following items:

a. Convention expense

Expenses should be provided for attendance at denominational meetings outside the community.

b. Travel expense or car allowance

The typical pastor drives his car 20,000 miles per year on church business. Without expense allowance, this takes a major part of his salary.

c. Utility Allowance

Most pastors in our Association are provided parsonages in the church community. The committee believes that most or all of the utility expense for the pastor's home should properly be an expense of the church.

d. Annuity or Retirement

All our churches should be encouraged to contribute to the Annuity Program or some similar retirement program.

12. Moderator George W. Huggins brought an inspiring message on the theme, "A Church Fulfilling its Mission Through Evangelism and World Missions". Reading from Proverbs 29:18, he challenged his people with the statement, "Where there is no vision the people will perish." How can we improve, how can we change the tide?
He challenged the people:

First—"Men must have a vision of God for their lives, God is dealing with the moral and spiritual individuals of our world. Members must come back to the altar of prayer, they have lost their sense of need for the Church."

Second—"Look anew to Church training and study of Church Covenant."

Third—"There is a need for a better relationship of the family life in its training."

Last—"We need a new vision of our missionary work; support of the Co-operative Program, special offering, in gifts and prayer that our churches may fulfill their mission in the Stanly Association."

13. The Congregation joined in the singing of "Make Me a Channel of Blessings".
14. Vice Moderator brought the N. C. Baptist Hospital report and moved its adoption. A second and approval was given. Dr. W. K. McGee, Public Relations representative of the Baptist Hospital, gave an informative talk on the ministry of healing, how the hospital was trying to serve the needs of the people; stressing the importance of the Mothers Day offering for this worthy cause.
15. The Men's Quartet, composed of Mr. Preston Capps, Mr. William McGilney, Mr. Justin Hill, Jr. and Rev. Wiley I. Rutledge sang "My Faith Has Found a Resting Place".
16. The Annual Sermon was brought by the Reverend Clyde Whitehead, reading from I Cor. 3:6-9 and gave an inspiring message on the importance of the Training program of the Church, that Christians may grow and help fulfill the mission of the Church, beginning at home and world-wide evangelism.

He suggested the Church improve their program of training new converts.

Second, We take a new look at our people, that they may be motivated to live by Christian standards, and strive to be better stewards of the Gospel in our daily lives.

Third, distinguish between sowing and reaping. Know the difference between emotional and spiritual conviction, anything less than a change inwardly is not sufficient. God's activity does not stop in the believer's heart but is living and enduring.

Last, Leave the results of our sowing in God's hand. "If any man be in Christ, he is a new creation." "God is the author and finisher of our faith". The Church is a field under God's cultivation, and we are not alone in the winning and training of converts.

Brother Whitehead closed with giving thanks for the food and fellowship of the noon hour.

17. Adjournment was called for lunch and the members were served a delicious dinner by the host church.

AFTERNOON SESSION

18. The afternoon session was opened with the singing of the hymn, "Saved! Saved!"
19. The devotional period was led by the Reverend F. E. Baucom, reading from Isa. 40:28, using as his topic, "Wait upon the Lord and we will

receive strength". He led in prayer.

20. The report of the Annuity Board was brought by Mrs. Clyde Whitley, in absence of her husband. She moved its adoption and it was approved. Rev. J. C. Dunevant spoke on the importance of the Annuity Board, that the church should provide lifetime protection for those who have given lifetime service.
21. The report on the Homes for the Aging was brought by Roy E. Drye and moved its adoption. A second and approval was given. The Reverend Clyde Yates spoke of his experience in serving on the Committee from the beginning of the Ministry to the Senior Citizens to the present day.
22. Mr. H. O. Bell brought the report of the work of the Baptist Children's Homes, and moved its adoption. Brother Jim Camp, representative of the Children's Home in Thomasville, was recognized and spoke briefly of the ministry of these homes.
23. The report on the Work of the W.M.U. was given by Mrs. J. C. Hough, speaking on the changes of the program and the work of the association. She moved the adoption and her report was approved.
24. The congregation joined in the singing, "I Saw The Cross of Jesus".
25. The Reverend Farrell Shimpock brought the report on Evangelism and moved its adoption. Brother Shimpock presented the Reverend W. C. Lamb of the N. C. State Convention, who delivered an inspiring message, reading from Acts 2:32 and verse 36, using the topic, "God's Challenge in the Crusade of Americas".

He used as the basis of his message the importance of "Catching the Spirit of God in this world which seems to be moving." To encourage and inform our people of the potential of our stewardship in the ministry of serving. To enter into the Crusade of America in the spirit of winning souls to Christ, which is the only answer.

He encouraged every Christian to proclaim the truth, to practice New Testament Evangelism, examine our lives, and only Christ can speak to our anxiety and frustrations of the time.

"Restore the right Spirit within me that we may bear much fruit."

26. The Reverend E. W. Pate led the closing prayer and the first day's session was adjourned.

Registered on the first day were: 190 messengers, 60 visitors. Making a total of 250.

Adjourn

Second Day

27. The Morning Session of the second day was called to order by the moderator, George W. Huggins. Brother H. Preston Capps led the congregation in singing, "Hark, the Voice of Jesus Calling", with Miss Peggy Newkirk at the organ.

43. The Annual Doctrinal Sermon was brought by the Reverend Farrell Shimpock, reading from John 3:1-12 and "The New Birth".
He delivered an inspiring message on what the New Birth is; the working of the Holy Spirit in the lives of his people; and spiritual birth

is God working in the heart, and it is not brought about by the works of man. The natural man is dead but is brought to life through God's redemptive work. God is the author and finisher of this New Life.

Evidences of the New Birth are: "Personal Believer, Growing in Grace; Bearing a Likeness to the Heavenly Father."

Brother Shimpock closed with prayer and gave thanks for the food and fellowship at the noon hour.

44. Adjournment was called and a delicious dinner was served by the host church.

— L U N C H —

45. Afternoon session was opened with the congregation singing, "Heralds of Christ".

His motion was seconded and given approval.

To the churches here, he reminded the followers of Christ, the vital areas we must change are: Attitudes as a Christian from sentiment to love; Words of action by becoming involved in the total program of the church; Bring our best and leave the results to God.

56. Benediction to the Eighty-Fourth Annual Session was pronounced by the Reverend Clyde Yates with his closing prayer.
There were 170 messengers and 55 visitors attending, making a total of 225.

Report on Evangelism

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible. To preach the Gospel of Christ, one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and we must walk daily with God in the fellowship of prayer.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western Hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meeting next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge.

In our association the following churches have voted to participate in the crusade: New London, First, South Stanly, Highland, Anderson Grove, Centerview, North Albemarle, Prospect, Poplin's Grove, Albemarle, First, Oak

Grove, Bethel, Kendall's, Aquadale, Plyler, Silver Springs, Union Gorge, Locust, First, Mineral Springs, Oakboro, First, Big Lick, West Albemarle, Pleasant Grove, Bethlehem, Porter, Cottonville, Mission. As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted,
FARRELL SHIMPOCK.

Cooperative Program Report

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it's teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday, and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . ."

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. One of the Associations, the Yates, had 100% of their churches giving through the Cooperative Program. The Stanly Baptist Association records for 1967 show that only three of our churches failed to record gifts through the Cooperative Program and the 1968 records show four churches failed to record Cooperative Program gifts. The total gift in our Association through the Cooperative Program for World Missions in 1967 was \$54,660 as compared to \$55,801 in 1968.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

We recommend: (1) That each church plan, vigorously promote, and subscribe a worthy budget. (2) That each church have a special prayer for the Cooperative Program causes during each church service in October. (3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Respectfully submitted,
A. M. KISER.

Supt. of Missions Report

The theme for the past year emphasizing Ministry as a vital part of the Mission of each and every Christian and Church has stimulated interest in many of us. We hope this interest will grow — there has been some disappointment that we have not had **more concrete actions**; but there is hope for Mission Actions in the future. Our plans for the Crusade of the Americas and the World Missions Conferences (formerly Schools of Missions) are progressing for 1969; and we hope all of our churches will be involved. We are grateful for all our Associational leaders and for their work and leadership.

Some statistics from 1967-68:

Attended V.B.S. Clinic at Wingate and assisted in Clinic for Assoc. (also

Negro clinic). Prepared 5,00 Joint Worship sheets and other materials for V.B.S. in churches. Conducted 10 Services and attended 41 meetings other than church meetings in Stanly. Attended 10 Statewide meetings and 10 Regional or Area meetings . . . besides local ones. Traveled between 17,000 and 18,000 miles related to my work.

Opportunities for service in our churches have been most gratifying . . . and we are grateful that our people seem to feel freedom to call on the association for help. Sometimes there have been conflicts or previous engagements; but we have been pleased to have opportunities and have tried to say yes in whatever way we could possibly say it.

Our Baptist people are facing great opportunities in a rapidly changing world. We believe the basic needs of man are the same as they have always been. We must continue to seek to find and follow the best methods of meeting these needs that God has revealed and will reveal to us. We cannot expect that our people will give of our best in full commitment unless we can act on the basis of our convictions; therefore let us endeavor to teach and proclaim and live the truth in such a way to lead our people to right convictions. Let us ask God to guide us and use us to guide the change in our day to the accomplishment of HIS will.

Respectfully submitted,
J. CLIFTON DUNEVANT.

Annuity Report

IMPORTANT DATE FOR ALL NEW MEMBERS IN PLAN "A":

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation", commonly known as a "grace period". The grace period provision will become effective on January 1, 1969, and it is important that all who are now eligible join the program before this date, so that the disability, widow, child education and dependent parents benefits will not be reduced.

Response to this new program has been good, with 3,146 members joining some part of the 3 plan program during 1967.

ANNUITANTS RECEIVE "13th" CHECK:

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 percent of his annual benefit. This was made possible because of interest earnings in excess of what the plans required, and was approved by the trustees two years ago.

DUES ON TOTAL SALARY ENCOURAGED:

Many churches are moving beyond the \$4,000 salary ceiling in the basic plan and are paying ten per cent dues on total salary as recommended by the Annuity Board and state convention secretaries.

REPORT FOR 1967:

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the program for their Ministers. Of the 174 agencies in the state convention and the Southern Baptist Convention, 145 were providing the program. The total number of employees covered in the agency programs was 7,140.

For information about any of the Plans in the Protection Program, including the grace period, contact Rev. Guy Cain, 301 Hillsborough Street, Raleigh, N. C.

North Carolina Baptist Homes for the Aging 1968 Associational Report

The past year in our Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. The Yanceyville Home was opened November 1, 1967, and when it is filled to capacity will accommodate 31 residents. Residents at all five of our Homes and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy than any other denominational Home in North Carolina. About 85% of the residents ministered to receive assistance through the love gifts of North Carolina Baptists. These love gifts come from two main sources: (1) The Special Day Offering in February each year, and (2) The Cooperative Program. These two sources of income must be increased, if our Baptist Homes are to be maintained as they have been in past years.

More than in any previous years the ministry of the Homes has been extended beyond that day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him go to one of the Homes and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted,
ROY E. DRYE.

Baptist Hospital Report — 1968

North Carolina Baptist Hospital has served North Carolina Baptists well. This year is no exception. It has been a full year for our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry prior to September. Besides these, more than 165,000 visits were made to the clinics of the hospital. In addition, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done.

But this is a very difficult year financially for our hospital. It has been forced to make important changes in its financial policies. In the face of mounting cost and increasing needs of our people, the hospital has been struggling with a growing deficit. The amount of free service offered to our people will now have to be governed by the amount of the Mother's Day Fund. Therefore, the ministry of our hospital to persons who are unable to pay is dependent upon our support of our Mother's Day Offering.

As Christians, it is our privilege and responsibility to provide medical care for those who are unable to provide it for themselves. The ministry of the Christian is a ministry to the whole man. If we follow the example set for us by our Lord, we will minister to persons on the basis of their individual needs whether they be of mind, body, or soul. Baptist hospital ministers to persons for us in all of these areas. Therefore, it behooves us in the name of Christ to see that our hospital is not short-changed. It ministers in our name and it is our responsibility to see that it receives the necessary support to carry on this ministry.

Baptist Children's Homes Report

We are indeed grateful to God for the work that has been done in our Baptist Children's Homes this past year. More than 1300 children were assisted in some type of service during this time. North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls.

As we approach the time for our Thanksgiving Offering this year we know the people of our association will want to help meet the increasing needs of the children of this state.

Four family style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home this year. Funds for these buildings have come from bequests through estate planning.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina. It is hoped that construction can begin in early 1969 on two units of the new home.

Couples with or without children of their own, who have an abundance of love are still very much in demand in the Foster Home Program.

Members of the Board of Trustees and members of the Staff of the Homes covenant with you to face the future as they have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,
HENRY O. BELL.

Music Report

The Associational Music program is the plan by which the churches in a given association support each other and obtain outside resources for reaching their goals in three vital church program areas: teaching music, training musicians, and providing music.

The purpose of the Associational Music work is to assist the churches to achieve their goals through cooperative efforts. Two types of goals are involved; (a) the goals relating to what the church is to be, and (b) the goals relating to what the church is to do.

The objective of the Associational Music program is to assist churches in establishing, conducting, enlarging and improving their music programs.

For several years much interest has been expressed in having an Associational Music program in the Stanly Baptist Association. Even though this work is in its infancy, both in organization and experience, nevertheless effort has been expressed in its development and usefulness.

A full line of officers were available for assistance to the churches. To these officers who have shown interest in assisting the churches the Association commends them.

In an effort to make our people more music conscious and promote a greater love and respect for better music in our churches, the Associational Music work consisted of a Music Workshop, October 30 at the North Albemarle Baptist Church.

The Association Music Work has gotten off to a good start. The work accomplished will be a great asset toward promoting better music in our church programs.

Sunday School Report — 1967 - 68

Your Associational Sunday School Dept. offers the following report:

We think we have made some progress in our Sunday School work this year. We had three meetings this year with good attendance. We think the Sunday School has proven to be the best place for Enlisting, Training and Evangelizing our people for the advancement of God's Kingdom.

As a challenge for this year 1968-69 the Associational Sunday School Dept. offers the following:

- (1) That January Bible Study Week be held in each church at a convenient time.
- (2) That each church will conduct a Vacation Bible School.
- (3) That each church get behind the Crusade of the Americas.

As past Superintendent let me urge all churches to cooperate with your new Sunday School Officers to the best of your ability.

To the Sunday School workers who served with me, I want to express my appreciation to each one for the fine job you have done.

Respectfully submitted,

GRADY MURRAY.

Training Union Report

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training, are coming to us through our Training Union.

This year could have been better but it has been a good year for Training Union in the Stanly Association. Your Training Union director and his co-workers wish that more of the churches would take advantage of our associational workers.

We had two churches represented in the Junior Memory Work Tournament, fifteen churches were represented in our "M" Night, and six churches were represented in Associational Youth Night. In these three activities there were some 230 taking part.

We have 19 Training Unions in our Association with an enrollment of 1301. We hope that next year these numbers will increase.

May I urge each of you to study and stay up-to-date with the current Training Union materials, especially the Training Union Magazine.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use Training Union as a means toward a more effective Christian witness through the local Church.

Respectfully submitted,

JAMES HARTSELL.

Brotherhood Report

The role of the Brotherhood in a Baptist church requires a knowledge of why Christ brought the church into existence and the part he expects the church to play in God's plan to redeem all people.

The purpose of the church is four-fold. A church exists (1) to be in fellowship with Christ and to minister in his name; (2) for Christians to love one another; (3) to bring all persons to Christ; (4) to make disciples in growing more like Christ.

One task of a church is to provide missionary education for its members. This includes developing a concern for people, a knowledge of missions, and involvement in mission activities.

The objective of a Brotherhood program in a Baptist church is to lead men, young men and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

Three units make up a Brotherhood organization. They are Baptist men, for all men 25 and older; Baptist Young Men, for all young men 18-24; and Royal Ambassadors, for boys 9-17.

In the Stanly Association the following meetings were held with excellent programs during this year.

October 9 - 10—Brotherhood Workshop, West Albemarle Baptist Church.
February 13—Associational Baptist Men Missions Rally, South Stanly Church.

April 8—Baptist Men and Royal Ambassadors Round Up, Stony Gap Fish House.

May 10 - 11—Royal Ambassador Campout, John J. Barnhardt Scout Camp.

The work accomplished through the Associational Brotherhood will do a great deal toward promoting a better mission program in our churches.

Respectfully submitted,
H. PRESTON CAPPS, JR.

Woman's Missionary Union Report

Quoting from *Changes and Choices* by Mrs. Helen Fling, "The program of missionary endeavor was begun in 1888 by women of unconquerable faith and compelling witness. Through the years others have faithfully served their age, employing methods demanded of their day. Now, we too, must keep our appointment with God in the last third of the 20th century. True, the purpose of W.M.S. remains the same, consistent with a risen Lord's command, "Go . . . Tell. Our plans still embrace mission study, prayer, stewardship, and mission action. . . . In today's transformed climate, we dare not rest on past history and traditions. We must implement bold new plans and structure — an organization to meet changing needs."

projecting a "change" in our WMU work. We have the same message of Christ, but we must be prepared to work with those whose circumstances differ radically from people living generations ago. The WMU of the

This past year we have been busy promoting, publicizing, studying and Southern Baptist Convention have been fully aware of this challenge, and as a result have released new plans calling for flexibility in organization

and choices in individual participation. We will not have to spend time and energy in working with complex organization, but can use these energies in "satisfying direct missions effort". The plan calls for fewer officers, no standing committees, and more individual response. Members will be privileged to choose among the mission study, mission prayer and/or mission action groups. Thus, a person will be privileged to participate in as many groups as they desire. The four types of mission study groups will include Bible study groups, mission book groups and Round Table. Emphasis will be placed on prayer groups for intercessory prayer, and they will study and minister and witness through mission action, but their main emphasis is prayer.

Mrs. Fling tells us: "In a message to Congress in 1967, the President of the United States declared: 'There is always risk in change, but there is greater risk in standing still.' It is well to remind ourselves that God is present in change, and He must also be present in choices."

Our annual meeting was held in April at the Oakboro First Church, with the theme—"A Church Fulfilling its Mission Through Ministry". There was an attendance of between 275 - 300. Mrs. C. C. Warren of our state WMU staff spoke to us on the changes that we face in our work; Mrs. W. E. Allen, retired missionary from Brazil, brought the missionary message, and Rev. Farrell Shimpock challenged the women to participate in "The Crusade of the Americas". The Y.W.A.'s helped in devotional periods.

The Leadership Conference and workshop was held with the West Albemarle Church in October of 1967. We have 44 W.M.S. organizations, with a membership of 1197. The G.A.'s, under the capable leadership of Mrs. Ann Lee and Mrs. Paul Long held wonderful quarterly meetings, which were largely attended. The Y.W.A. work was led in a fine way by Mrs. Elroy Lamb, and Mrs. R. B. McDonald was Sunbeam Director. There were 133 Youth organizations reported with an enrollment of 1405. We realize that we have merely touched 'the hem of the garment'.

As we look to the future, we are aware of the great challenge that faces us, and through planning and study, under the leadership of our Heavenly Father, we are hoping to make the new year—this year of change—one of great advancement and progress in the work of the Lord's Kingdom through our WMU Organization. We covet the privilege of working closely with all organizations of our Southern Baptist work in the Stanly Association as we strive to be witnesses for Him "in Judea, Samaria and unto the uttermost parts of the earth".

Respectfully submitted,

MRS. J. C. HOUGH,
W.M.U. Director.

State Missions

The goal for State Missions Offering in 1968 and 1969 is \$200,000.00. This is an increase of \$2,853.30 above the 1967 receipts of \$197,146.70. Twenty per cent of the offering is allocated to Fruitland Bible Institute. All over the goal will also go to the Institute, where a building, already under construction, will provide better facilities for learning experiences for many men who have answered the call to preach and are unable to attend one of the seminaries.

Under the Division of Missions of the Baptist Convention the State Missions Offering will support the ministries of five departments—City

and Metropolitan, Town and Country, Interracial, Deaf Ministry, Adult Education, and Fruitland Bible Institute.

Special emphasis is being placed on Seminary Extension, Pastoral Aid, Resort Ministry, and Interracial Cooperation this year.

Through State Missions Offering there will be an effective witness to more than two million people living in North Carolina who are not affiliated with any church. As the population increases each year an increase in gifts is needed to continue the program of our Saviour, Jesus Christ.

In the Stanly Association \$3,219 was given in 1968.

Respectfully submitted,
MRS. DOUGLAS PHILLIPS.

Home Mission Report

The Executive Secretary-Treasurer of the Home Mission Board, Arthur B. Rutledge, tells us that the emphasis on "The Church Fulfilling Its Mission Through Ministry" has placed the spotlight on the minorities, the disadvantaged and the poor. Certainly these are objects of divine love; Also they are objects of the communistic element of our nation. Reaching these people will foil the communist plan to use them and advance the kingdom of our Lord besides.

Project 500 Locations have been identified and plans are under way in state conventions and the association for the establishment of these 500 congregations during the two-year emphases of the project. More than half of these new churches will be located in pioneer fields which we trust will reach many of the minority, disadvantaged, and poor groups.

The Cooperative Program and the Annie Armstrong Offering provided the largest support in the history of the Home Mission Board, with \$51/4 million coming from the Cooperative Program and approximately \$4.1 million from the Annie Armstrong Offering. These sources must be greatly depended upon for funds for future expansion and development of the Home Mission Program.

The Missionary force totals almost 2,300 representing a gain of over 100, although 460 appointments of associate and career missionaries were made. Most of them are jointly employed with a state convention, association, and/or local congregation. Besides these there were 740 student summer missionaries, with 626 of them employed by the Home Mission Board. Most of these student missionaries worked in pioneer areas, making surveys and conducting Vacation Bible Schools or as camp counselors.

The Northeast has become the scene for some of Southern Baptists most creative and rapid growth (with a 25 percent increase this year) as part of an intensive emphasis upon pioneer missions.

Figures available show that 1967 brought 58,889 professions of faith with total additions reaching 88,619. There were 487 New Missions started and 197 new churches organized under direction of Home Missionaries. Home Missions is a vital arm of Southern Baptist work.

Respectfully submitted,
O. S. LONG.

Foreign Missions Report

Dr. Baker J. Cauthen, Executive Secretary of the Foreign Mission Board has said, "This is no time for uncertainty. This is no day for a wavering message. It is a day for maximum daring. It is a day when we can well consider ourselves expendable for the glory of Jesus Christ."

On May 1, 1968, Southern Baptist missionaries were at work in 65 locations and were under appointment to four more. During 1967 missionaries went to Ethiopia and Botswana and Belgium. At the close of 1967, the Foreign Mission Board had an overseas missionary staff of 2277, and appointments during the year totaled 222. Hundreds of calls for missionary personnel still go unanswered. Preachers and medical people continue to be most urgently needed.

Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest missionary endeavor. Reports from Missions totalled 4918 churches and 4119 national pastors. Also reported were 46,275 baptisms, 571,647 church members and 515,630 enrolled in Sunday School.

Seventeen thousand decisions were made in seven major evangelistic campaigns. An active ministry in Baptist radio and television efforts continue to bring amazing results.

Missionary work in schools and student work continued to grow in many countries, with a new seminary opening in Zambia and two others moved to new campuses.

The Christian message in the language of the people has been increasingly important for mission work, and new book stores and publication centers have opened in many countries, proving helpful in evangelism, leadership training and Christian education.

Hospital and medical care treated 47,580 inpatients and more than half a million outpatients. The benevolent ministries allocated funds and help to a variety of needs through 25 good will and community centers.

Contributions amounted to \$28,286,597 as 1967 closed and by May 1, 1968, the Lottie Moon Offering had reached \$14,664,679.30. Still needs continue far beyond financial resources.

Let us sense and be concerned about this tremendous work and challenge before us — dwelling not only on what we have **done** but also on what we must do.

Respectfully submitted,
MRS. JAMES W. SANGES.

American Bible Society Report

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 50% of all Christian families do not have Bibles and more than a half billion of the 3 billion people in the world are without any portion of the written word at all.

Christianity will conquer the inner spaces of man's life only as they encounter the Living Word of God.

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scrip-

tures to all mankind, in a language he can understand. Printing without note or comment . . . supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the forefront of active participation and cooperation with ABS ministries, leading the 74 denominational groups in financial support.

Report on Christian Literature

"But grow in grace and in knowledge of our Lord and Saviour Jesus Christ" (II Peter 3:18). Despite today's numerous news media no substitute has ever been found for the printed page, and the Bible is still the world's all-time Best Seller. The Bible is God's revelation to man and the foundation of ALL KNOWLEDGE, yet it has been called "The Book that nobody knows". Most of its devotees pay lip service, but practically never read, study or understand it. Daily reading of the Word of God is a MUST for every Christian. "Thy Word have I hid in mine heart, that I might not sin against Thee".

No better literature is published than that of our own Baptist Press, and we would do well to patronize this vital source of information, such as The Biblical Recorder (needed in every Baptist home), The Commission, Home Missions, Home Life, and various other publications, to keep ourselves well-informed on all phases of our denominational work, local, state and world-wide. Time should not be wasted in reading trashy literature when the best is available to all who desire it. May we resolve to take advantage of and promote the use of the literature by our Baptist Press.

God's people must read to strengthen their faith, increase their knowledge, open their vision, and inspire their minds. An Informed Baptist is an effective Baptist. We shall be held responsible not only for what we know but for what we might have known. What are you reading?

Respectfully submitted,
MRS. M. A. SMALL.

Resolution Report

WHEREAS, THE 84th Annual Session of the Stanly Baptist Association has been a source of inspiration, information and Christian fellowship:

Therefore be it resolved that:

We, the messengers and visitors of the Stanly Baptist Association wish to express our sincere appreciation to the Moderator, Clerk and other officers of the Association for the splendid way in which they have conducted the sessions of the annual meeting.

We express appreciation to the Program Committee and to all who appeared on the program.

We express appreciation to our Associational Secretary for coordinating all the plans.

We express appreciation to the host churches, Philadelphia and South Albemarle Churches for their warm hospitality and the delicious food so efficiently served.

We express appreciation to Mr. Warren L. Coble and committee for the outstanding Deacon's School.

We thank the Stanly News and Press and radio stations, WABZ and WZKY, for the publicity given this annual session and other denominational work throughout the year.

Be it further resolved that the minutes of this 84th Annual Session of The Stanly Baptist Association be dedicated to the memory of Rev. J. C. Bennett, for his long and faithful service to Stanly Baptist Association and Churches he served.

Report of the Committee to Study Pastors' Salaries

To all Chairmen of Deacons and Church Treasurers:

As a result of the study made last year of pastors' salaries and other fringe benefits, (see 1967 Minutes, pp. 30-31), the Stanly Baptist Association added a section to the Constitution setting up "The Standing Ministerial Relations Committee". This section says, "This Committee will make a report each year to the Chairmen of Deacons and all Church Treasurers and shall be in the form of suggestions regarding salary and fringe benefits increases in keeping with percentage increases in wages and other benefits across the nation".

In light of the fact that there has been a substantial increase in almost everything we buy, whether goods or services, and now an increase in taxes: conscience compels us to suggest that every church make a careful study of their pastor's salary and other benefits. Therefore, this committee makes the following recommendations:

1. Salary

- a. for those churches in the Association with more than 200 members served by a trained, experienced, full-time pastor, we recommend that the minimum basic salary be \$6,500.00 per year.
- b. For the churches in the Association, which have memberships under 200, our committee strongly recommends that salaries be increased by substantial percentages within the limits of the available budget.

2. Other Remuneration and Expense Allowance

Because the pastor has a number of expenses which he must bear in connection with his pastoral duties, our committee feels that the church should provide expense allowances in addition to a basic salary to include at least the following items:

a. Convention expense

Expenses should be provided for attendance at denominational meetings outside the community.

b. Travel expense or car allowance

The typical pastor drives his car 20,000 miles per year on church business. Without expense allowance, this takes a major part of his salary.

c. Utility Allowance

Most pastors in our Association are provided parsonages in the church

community. The committee believes that most or all the utility expense for the pastor's home should properly be an expense of the church.

d. Annuity or Retirement

All our churches should be encouraged to contribute to the Annuity Program or some similar retirement program.

e. Hospital Insurance

Most business concerns provide partial or full hospital insurance for their employees. Therefore, this committee strongly suggests that our churches make similar provisions for their pastor and his family.

In Memoriam

Memories awake at the sound of melody or hymnal word. Sometimes the touch of a hand or a whispered name will start the heart remembering; and although time nor place nor circumstance can invade the sanctuary of our thoughts, a visible sign will sometimes unite in a singleness of thought, the minds of a multitude, and a brief moment becomes an interim of spiritual communion.

The Cross is the shining token of this Memorial hour. It symbolizes the cleansing power of the blood of the Lamb. It is proof of redemption through selfless service and willing sacrifice; and for ages has been and will forevermore remain a symbol of eternal life.

Throughout the world white crosses glow
 Like wooden flowers in a row,
 Their pallid petals spread like hands
 Invoking blessings on our lands
 Where multitudes march to and fro
 Seeking release from sin and woe;
 And loved ones sleeping there below
 A quiet dignity may know,
 If Peace, for which the white cross stands
 Can blossom from their folded hands
 Like flowers blooming in a row.

PRAYER

Jesus, keep us near the cross, bring its scenes before us; help us walk from day to day with its shadows o'er us.

Amen.

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of member churches.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. The association's membership shall consist of messengers only who are members of the affiliated churches comprised of all of the following:

A spring session may be held if the Executive Committee so determines.

Article IV. An affiliated church shall be one supporting the denominational program plus the policies and practices of the association. Affiliation of a church shall be extended or withdrawn by a $\frac{2}{3}$ vote of the messengers in the fall session. Notice of a vote for extension or withdrawal of affiliation shall be given to the church being considered by the Executive Committee at least three months prior to the meeting of the fall session of the association.

Article V. The officers of the association shall be: Moderator; Vice-Moderator; Clerk; Treasurer and Director of Music who shall be elected at each annual fall session after the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next fall session. tribution of, and to keep on file the printed minutes and other important documents belonging to the body. The clerk shall also be an ex officio member of the Credentials Committee. He shall be paid a nominal sum for his services at the discretion of the executive committee.

Executive Committee Report

1. Rev. Clyde F. Whitehead was elected as Vice-Moderator of the Association.
2. The Executive Committee voted to give approval and look with favor upon a group of members from the Fairview Baptist Church who expressed a desire to establish a mission in the East Albemarle area.
3. To continue having separate VBS Clinics for the races in Albemarle and work toward integration.
4. Rev. Robert McColl was elected as Pastor Advisor for the Ministerial Relations Committee to replace Rev. Wiley Rutledge who left the Stanly Baptist Association.
5. The Norwood Group (now Norwood Memorial Baptist Church) was given the right to proceed with church organizational plans and to continue to work with the Missions Committee until they were approved by the Stanly Baptist Association at its next annual meeting.
6. A recommendation of the Missions Committee that the Executive Committee secure a sponsoring church for the Fairview Group was deferred until a survey of the East Albemarle area could be made.
7. The Moderator, Brother Amos Kiser, was to appoint a Constitution Committee and this committee was to bring its report to the annual session of the Stanly Baptist Association on the first day for information and consideration and to be voted on the second day.
8. The program for the two-day session of the Stanly Baptist Association was approved.
9. Approved the Finance Committee's suggested 1969-70 budget for presentation to the annual Associational session.

Respectfully submitted,
CLYDE F. WHITEHEAD.

Report on Evangelism

The simultaneous revival meetings as a part of the Crusade of the Americas bore evidence. Where God's people sowed bountifully, they reaped gloriously. In our association the Crusade was a success. There were 342 baptisms reported this year. 240 by letter.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give us some guidelines for future plans in evangelism.

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people—usually the leaders.
2. Some of the most powerful revivals in our state started among the young people of our churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

There are some **MUSTS** for the future:

(1) The only hope is Christ; (2) Search the Scriptures, and (3) Proclaim the glorious gospel.

Respectfully Submitted,
FARRELL SHIMPOCK.

Report of Superintendent of Missions

This has been a year of cooperative efforts in our Association. Rev. Farrell Shimpock led us in a fine way for the 1968-69 portion of the Crusade of the Americas and we hope this emphasis will continue through 1970. Rev. Clyde Whitehead has led us in preparing for our World Mission Conference Nov. 1-7, 1969 and twenty-eight missionaries will be with us for this effort.

Statistics of my work for the year are very much the same as other years except for not attending the State Convention (providential hindrance)—and I did attend a S. B. Conventionwide Conference or workshop in Nashville for a week in December. I have tried to attend most of the other meetings, clinics and workshops. Within the Association calls for help in the churches and opportunities to supply in the pulpits have increased, and we are grateful to our pastors, church leaders, and to God for these opportunities.

All of us are aware of the fact that many changes are being suggested in our work beginning Oct. 1, 1970; and this is a time of preparation for important decisions in which each of us will be participating in our churches. Please join me and each of our Associational leaders as we endeavor to **learn** and share everything we possibly can to help us make wise decisions. Many of our meetings have been for this purpose and we will be attending and learning in other meetings and asking you to **Share** in local Associational clinics during the coming months. The year ahead of us could be one of the most significant years in Southern Baptist life — we dare not face such important decisions uninformed and unconcerned.

Last year the income of our churches in the Stanly Association was more than a million dollars for the first time. I believe God has great things ahead for Stanly Baptists. As I near the end of my tenth year with you, I want to renew my commitment to you and to my God to serve Him faithfully in these times of challenge and opportunities. I covet your prayers and cooperation. Thank you for all you mean to me and my family.

Respectfully submitted,
J. C. DUNEVANT.

1969 Cooperative Program Report

When the word “stewardship” is used, most of us begin to see dollar signs \$ \$! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means **responsibility** — responsibility in all areas of life.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is Secretary. Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development are the responsibilities of Harold White and his associate, Cleve Wilkie. O. J. Hagler is Director of the Division.

The Cooperative Program is the **main** channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is \$6,750,000.

A special State Missions Offering goal of \$250,000 is a challenge to all Baptist Churches. Other approved special offerings — The Lottie Moon

Christmas Offering, The Annie Armstrong Easter Offering, The Heck-Jones Memorial Offering, the Hospital Special on Mothers Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Fathers Day and the offering for the Homes for the Ag'ing in February — all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

Baptist Children's Home Report

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children, and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. This program unfolds on six campuses and through the work of regular casework centers throughout the State.

More requests are coming in to the Baptist Homes than at any time in our previous history, every available space is filled, and all available money is being utilized.

Friends of the Children's Home in Western North Carolina have responded generously with funds to establish the Broyhill Home. Sufficient funds have been given and pledged to purchase the land, prepare the site and to construct the first two cottages for children.

Through the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A Home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

Your prayers and continued financial support are received with deep appreciation. In our association, if every member could support our Children's Homes, many additional children could receive the Blessings of a Christian Home.

Respectfully submitted,
HENRY O. BELL.

Hospital Report

There is no greater evidence of Baptists' concern for mankind than that which is found in their institutions of mercy and healing. Woven throughout the teachings and life of Jesus is his concern for the poor and the sick. He has passed that concern on to us and has committed unto our keeping this trust of love. Will he be able to say to us, "When I was sick, you came unto me"? If we have a part in the great work that is being done by our Baptist Hospital, then he will be able to say that to us. If we fail here, we have failed in a very crucial point of our Christian witness.

No one must remind us of the pressing need in the area of medical service; and certainly, everyone is aware of the tremendous expense involved in the service rendered to those in need at our hospital. But the need is so much greater than the funds available and it has placed our hospital in a financial crisis. For instance, in 1968 the amount of free care given us was \$4,100,000 while the amount of the Mother's Day Offering was \$321,326. You can see the discrepancy. Baptist Hospital is depending upon us to support her through these trying times. Will we do it?

Respectfully submitted,
ROBERT L. MCCOLL,
Hospital Representative.

North Carolina Baptist Homes for the Aging

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday in February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes history.

The Lord, who is in charge of the weather and in charge of our Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

From July 1, 1968 to June 30, 1969, twenty-nine churches of the Stanly Baptist Association gave \$2,132.67 through Special Offerings.

At Resthaven and Hayes Home in Winston-Salem, the Albemarle Home, the Hamilton Home and the Yanceyville Home our aging Christian friends are finding happiness in companionship and security in knowing that they will be loved and cared for in sickness as well as in health.

When we consider that one-third of the total income from the Homes is derived from Special Offerings and the Cooperative program, and that 85% of the residents are financially dependent, and that the cost of living is constantly rising, we believe that our Baptist people will want to have an ever-increasing part in this worthy labor of love in the Master's Name.

We know the Lord will not fail us, but if we fail these we are failing our Lord.

Respectfully submitted,
ED HOLBERT.

Christian Literature

Jesus said, "Continue in My Word." (John 8:31).

"He who reads is the one who leads, but what he reads decides where he leads."

To read the Bible is the will of God for all His people, and nothing can take its place. The Bible — the most relevant book in all the world — meets the deepest needs of both young and old. Who are you? Read God's Word and you will find out. How can you achieve true happiness? The answer can be found in the Bible. Daily reading of God's inspired Word is essential for Christians to enjoy abundant living.

The pornographic deluge is rolling in on every side from the movie screen, the bookstall, even uninvited, through the mailboxes of millions of homes. Worst of all, up to 75 per cent of it falls into the hands of minors. Filth is big business and growing bigger every day. Are you aware of what your children are reading?

Our Baptist Press deserves the wholehearted support and patronage of all Baptists for the clean, wholesome type of Christian literature it produces in the form of magazines, periodicals, pamphlets, tracts, etc. Are all families in your church receiving the Biblical Recorder? If not, start a campaign to get it in the budget for 1969-70. You'll be glad you did. Be assured when you are reading Baptist literature you are reading the BEST and will have no time for trash. Inform yourself that you may be an active, intelligent member of your denomination.

Respectfully submitted,
MRS. M. A. SMALL.

Report on Church Relations

"Baptists began as a resistance movement to a dominant church that had the support of the state", says Dr. Cecil Sherman of the First Baptist Church of Asheville, North Carolina. Our country was founded by men and women who firmly believed in the separation of church and state. Roger Williams, coming to America to escape imprisonment for defending those who defied the government and worshipped as they pleased, organized the First Baptist Church on the continent. He provided for separation of church and state.

It was a Baptist preacher, John Leland, who prevailed on James Madison to offer the first ten amendments to the Constitution of the United States. These amendments are called the "Bill of Rights". The first one reads: "Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof."

One of our great leaders, Dr. E. Y. Mullins, gave his famous "Axioms of Religion". These statements of self-evident truths have generally been accepted by Baptists. One of these is: "The religio-civic axiom: a free church in a free state."

Southern Baptist joined with other Baptist bodies of America in 1941, to set up what was called the Baptist Joint-Committee on Public Affairs, for the specific purpose of safeguarding the principle of separation of church and state. Believing that Baptists would not be wise in fighting this battle alone, in 1947 **Protestants and Other Americans United for Separation of Church and State (P.O.A.U.)** was organized.

Since about 1950 state education has developed as never before. The enormous expenditures for state colleges and universities have brought increasing pressure on denominational institutions of higher learning. Building and operational costs have advanced to the extent that many denominational schools are threatened with becoming second-rate in comparison with state schools.

In the light of these facts we can do one of three things: Close some of our denominational schools; renew our interest in Christian Education to the extent that these schools may have the necessary funds; or accept Government Funds. Some Baptists feel that since others are accepting these funds, it is time we join them, and some Baptist schools and institutions have already done so.

If Baptists, after long criticizing other denominations for asking government aid, now get in line for hand-outs, we will reverse our time-honored position and principles, weaken our witness and drag the banner of religious freedom which has ever, till now, been our marching standard.

Dr. George W. Truett so ably said: "The priceless principle of religious liberty shall, please God, be preserved inviolate through all our days and the days of those who come after us."

Respectfully submitted,
JAMES B. PRESSLEY.

Associational Foundation Report for 1969

By: C. Gordon Maddrey, Executive Secretary

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar (\$1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from \$350,000 to the present excess of

slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a **service** arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to:

(1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted,
ROY P. TAYLOR.

Report on Christian Higher Education

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buies' Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate. These colleges have a current enrollment of some 12,000 students.

There are more than 500 young men and women preparing for full-time Christian service. Our colleges operate on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching and training churchmen who will take Christian views and sympathies into any vocation which they enter.

A most important report of the Committee of 20 appeared in the Biblical Recorder, October 11, 1969. This Committee, appointed by the 1967 State Convention has made a thorough study of Baptist Higher Education in North Carolina and the report contains 21 significant recommendations concerning our colleges.

All the State Conventions and the S.B.C. now operate 41 senior colleges, 14 junior colleges, 7 academies, 4 Bible schools, 6 seminaries and the American Baptist Theological Seminary, which southern Baptists sponsor jointly with the National Baptist Convention, U.S.A., Inc. Total enrollment is 104,850 for 1968-'69. Gifts for support total \$20,008,773.

The Cooperative Program remains the lifeline of support. The Baptist College Day offering has become another significant means of financial support, and each church is encouraged to participate.

Respectfully submitted,
JUSTIN HILL.

American Bible Society

The American Bible Society continues to face the challenge of a shortage of scriptures as was indicated in our report a year ago; but this has been a year of progress in scripture distribution in many languages and dialects. Support is needed from all denominations and churches and individual Christians. It is still true and will always be true that man needs to encounter the Living Lord of God to lead to an experience of conversion.

The American Bible Society continues as a vital arm of the church supplying scriptures for every effort to reach mankind with the Gospel. The Society cooperated with us in our Crusade of the Americas by printing for us 10,000 Gospel of John (T E V - Today's English Version) with a message on the back about our Revival dates — and at no additional cost.

The Home Mission Board — S.B.C. has helped in the distribution of millions of copies of **Good News for Modern Man** (TEV New Testament). In recognition of the outstanding cooperation of the Home Mission Board, a representative of the American Bible Society presented a special copy to Dr. Arthur Rutledge at Ridgecrest this summer.

The A.B.S. ministries deserve our prayerful and financial support and our active participation in distribution of the scriptures.

Respectfully submitted,
J. GAD SPEIGHTS.

Music Report

The Associational Music program is the plan by which the churches in a given association support each other and obtain outside resources for reaching their goals in three vital church program areas: teaching music, training musicians, and providing music.

The purpose of the Associational Music work is to assist the churches to achieve their goals through cooperative efforts. Two types of goals are involved (a) the goals relating to what the church is to be, and (b) the goals relating to what the church is to do.

The objective of the Associational Music program is to assist churches in establishing, conducting, enlarging and improving their music programs.

For several years much interest has been expressed in having an Associational Music program in the Stanly Baptist Association. Even though the work is in its infancy, both in organization and experience, nevertheless effort has been expressed in its development and usefulness.

A full line of officers were available for assistance to the churches. To these officers who have shown interest in assisting the churches the Association commends them.

In an effort to make our people more music conscious and promote a greater love and respect for better music in our churches, the Association Music work consisted of a Music Choir Clinic, February 3 and 4 at the West Albemarle Baptist Church.

The Association Music work has gotten off to a good start. The work accomplished will be a great asset toward promoting better music in our church programs.

Respectfully submitted,
H. PRESTON CAPPS, JR.

Brotherhood Report

The role of the Brotherhood in a Baptist church requires a knowledge of why Christ brought the church into existence and the part he expects the church to play in God's plan to redeem all people.

The purpose of the church is four-fold. A church exists (1) to be in fellowship with Christ and to minister in his name, (2) for Christians to love one another; (3) to bring all persons to Christ; and (4) to make disciples in growing more like Christ.

One task of a church is to provide missionary education for its members. This includes developing a concern for people, a knowledge of missions, and involvement in mission activities.

The objective of a Brotherhood program in a Baptist church is to lead men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

Three units make up a Brotherhood organization. They are Baptist Men, for all men 25 and older; Baptist Young Men, for all young men 18-24; and Royal Ambassadors, for boys 9-17.

In the Stanly Association the following meetings were held with excellent programs during this year.

October 15 and 17 Brotherhood Workshops, West Albemarle Baptist Church.

February 10, Baptist Men's Meeting, Grace Baptist Church.

April 14 Baptist Men and Royal Ambassador Missions Rally, Stony Gap Fish House.

The work accomplished through the Associational Brotherhood will do a great deal toward promoting a better mission program in our churches.

Respectfully submitted,
H. PRESTON CAPPS, JR.

Sunday School Report

This Sunday School year has been an inspiration to me and I hope to each of you. As a new superintendent I have come short of my job, but all workers have done a very fine job and I would like to thank them for this. God has many wonderful blessings for us if only we ask and work to this end.

Our Association Meetings have been very interesting. The first was at Pleasant Grove Baptist Church, with Rev. Burl Lucas leading us to dedicate ourselves to God and His kingdom. Our second meeting was at Anderson Grove Baptist Church. We had a department meeting and was enjoyed by all present. We met at Grace Baptist Church at our last meeting. Rev. Howard Laney presented our new Sunday School work and then a very fine message on the changing world and the power of God.

We need to dedicate our work and ourselves to God, because we are living in trying and very difficult times, sin is very prevalent in our day.

Your Sunday School workers need all the prayers that can be given to do their work sufficiently. All literature has changed or will be changing.

I would like to thank all of you for making this Sunday School year a success. I am asking each of you to speak to your own Sunday School workers and tell them how much you appreciate their work. Let all of us join in prayer that we will do our best.

Respectfully submitted,
NEVIN HUNEYCUTT.

Church Training Report

These are exciting and challenging days for Church Training. Many new ideas, new materials, and new seriousness to our need for Christian training are coming to us through the Church Training Ministry.

This has been a year of learning for your director. This has also been a busy year for Church Training in the Stanly Association. Even though we did not assist in the forming of any new Church Training Programs we feel sure that some of the churches have taken a new look at their own Christian training needs. In some of our churches there has been a new look at some of our shortcomings and an endeavor to provide new methods of training the people.

The projects which the Church Training engaged in this year were "M" Night, Pastor's Appreciation Night, Associational Church Training Convention (tournament work), Associational Youth Night, and Youth programs in some of our churches. There were some 300 of our people involved in one or more of them.

We had seven people of our churches to attend our Baptist Summer Assemblies, four to Caswell and three to Ridgecrest. We urge all who can to take advantage of our summer assemblies each year.

We have churches with Church Training Programs in our association with an enrollment of We pray that next year many of our churches will organize a Church Training Program in their church. There are tremendous possibilities to be found in any or all of the three phases of Church Training. The areas include the New Church Member Orientation, the Church member Training, and the Church Leadership Training.

May I urge you to study and stay up to date with current Church Training materials. Also, may I thank each of you for your prayers, assistance, and support in carrying on the Church Training work.

Respectfully submitted,
JAMES HARTSELL.

W. M. U. Report

MRS. J. C. HOUGH, Director

In our Associational W.M.U. manual we find that "The association exists to assist churches to be and to do what Christ intends. The association does its work by conducting programs which assist churches. The associational W.M.U. program is one of several programs in the association. Since the church is central, the nature of the associational W.M.U. program can be understood only in relationship to the church W.M.U. program. The work of the associational W.M.U. program is primarily that of cooperative work and field service." The association is supposed to work cooperatively with the churches, and do only what the church cannot do on its own. There are four broad types of field service: information, training, consultation, and inspiration.

The objective of an associational W.M.U. program is the statement which summarizes its purpose. The objective is "to assist in establishing, conducting, enlarging, and improving the WMU program in the churches of the association."

The purpose of Woman's Missionary Union remains the same, consistent with a risen Lord's command, "Go . . . Tell". Our plans still embrace mission study, prayer, stewardship, and mission action. Our influence still moves youth toward missions. Many changes have taken place. It has been difficult for some to face these changes, but we cannot rest on

our laurels of the past, but must face these changes and set up new plans in order to meet the changing needs.

The first task of the W.M.U. is to teach missions. The second is to lead persons to participate in missions through study, prayer and giving, and also by witnessing and ministering through mission action.

The work of the W.M.U. of the Stanly Association during the past year has been very encouraging. We have societies in 47 of our 51 churches. Our association merits "distinguished" on the Achievement chart. Many societies in our churches will be reaching levels of achievement.

All youth organizations have functioned well under the leadership of capable, dedicated women. A banquet was held for our Y.W.A.'s in February; the G.A.'s held quarterly meetings with record attendance. The Sunbeams had a Day Camp at Morrow Mountain, with an enrollment of above 70. Special missionary speakers were present for these meetings.

Our annual meeting was held with the Locust Church in April with an attendance above 250. Our missionary speaker was Mrs. Judson Lennon, and Miss Kathryn Bullard, State WMS Director was one of the featured speakers also. We have had wonderful leadership training and workshops. Our leaders went to State workshops and to Ridgecrest to help prepare themselves for these important meetings.

Our annual meeting for 1970 will be held with the Grace Baptist Church on April 7th beginning at 4:00 p.m. We will have one of our State officers, as well as a missionary present to challenge and lead us in our plans for the coming year.

"No other day has presented such opportunities of going into all the world as has this present one. Today's Christians must be alert to world missions opportunity and work together through the power of the Holy Spirit".

One of our missionaries has said, "Tell the people to live more with Christ, to catch more of his spirit, for the spirit of Christ is the spirit of missions and the nearer we get to Him the more intensely missionary we must become."

To this end — increasing the missionary spirit and leading persons to participate in missions — Woman's Missionary Union moves forward.

State Mission Report

State Missions should be dear to the heart of every North Carolina Baptist. This Division of our State work seeks to reach lost people with the gospel of our Lord Jesus Christ through its many ministries.

The population of our State continues to grow, especially in our cities. To meet this challenge, our State leaders are working closely with our churches and Associations in purchasing lots where new churches are needed, and in planning adequate buildings. We now have about 3,500 churches with over one million members. The Bible says Christians are "the salt of the earth," therefore we are to be a blessing to this lost world.

The need of our State is great. We must pray for and work with our leaders in building strong evangelistic churches. We must pray for and train ministers and leaders for every phase of our church work. Our seven colleges and Fruitland Bible Institute have a heavy responsibility in their training of our young people for useful lives.

The goal for our State Mission Offering for 1969 is \$250,000.00, to be divided as follows:

1. \$170,000 to undergird all of our State Missions Program.
2. \$30,000 for new building at Fruitland, and \$10,000 for renovating old buildings.
3. \$10,000 for additional "new lots" and \$10,000, additional loan fund for

mission churches.

4. \$10,000 for aid to weak associations and \$10,000 for special mission requests.

Our General Board voted to give a substantial amount to victims of the hurricane area, with the understanding that all money over and above our goal will go to the same cause.

We believe North Carolina has a future as bright as the promises of God. Let us support our leaders with our gifts and prayers.

Respectfully submitted,
E. W. PATE.

Home Mission Report

Since 1845, when our Home Mission Board was organized in Augusta, Georgia, great changes have been wrought within the United States. These changes have greatly increased the deep needs for more missionaries, with their everlasting ministries.

The Home Board has its headquarters today in Atlanta, Georgia, with Arthur B. Rutledge serving as executive secretary-treasurer.

Over 2,300 Home missionaries are busy, planting the seed of the gospel in the hearts of spiritually hungry people.

Our country can rightly be called a "melting pot", since by far more immigrants are settling here currently than ever before. "They come from every nation under heaven" — Acts 2:5.

It is easily understood that they come here hoping to improve their living conditions.

Statistics show that there are more than 35 million people in the United States who speak a language other than English, or who are closely identified with the culture and customs of one of these groups.

Knowing that these immigrants need our Christ as badly as we Americans do, the Home Missionaries spend much of their time teaching them how to read the scriptures.

The Home Mission program also includes urban sections, Indians, migrants, and service personnel.

During 1968 the Home Mission Board's report to the Southern Baptist Convention reflected a total of 24,839 professions by faith.

Therefore, we see the mission cause is extremely worthwhile, and we as Christians, should heed Christ's great commission, recorded in St. Matthew 28:19-20.

Respectfully submitted,
JEANETTE STRIDER.

Foreign Missions Report

At the close of 1968 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,371. Appointments during the year totaled 247. Between January and May 1969, 107 more were added, 76 of them Journeymen. This is the largest number of appointments in any year thus far, but several hundred calls for missionaries are still unanswered.

The ultimate purpose of underlying all our missionary endeavors is the leading of people to new life in Jesus Christ. 50,003 baptisms, 611,470 church members and 538,304 enrolled in Sunday School was reported from Missions (organizations of Southern Baptist missionaries). Also reported was 5,154 churches, 6,974 mission points, and 4,413 national pastors.

The Foreign Mission Board shared in major evangelistic campaigns in France, Germany, Italy, the Philippines and Rhodesia. Baptist radio and television outreach continues to expand.

Among the 837 schools in 43 countries with which our missionaries are related, are 46 theological institutions and 9 women's training schools. The total enrollment of all schools was 87,597.

Rising literacy rates give book stores and reading rooms unprecedented opportunity to confront multitudes with the Christian message in their own language. There are twenty-seven publication centers overseas. These along with the publishing house at El Paso, Texas produce over 24 million pieces of all kinds of literature, tracts, Bibles, etc.

Medical institutions (21 hospitals and 83 clinics and dispensaries) treated 47,586 inpatients and 631,977 outpatients. The new Wallace Memorial Hospital was dedicated in Korea.

To meet urgent needs for relief of human suffering in Nigeria, Vietnam, and other countries, emergency funds were provided in the amount of \$98,233.82.

By May 1, 1969, the 1968 Lottie Moon Christmas Offering had reached a total of \$15,159,206.92. Total contributions for foreign missions amounted to \$29,745,692.00 as 1968 closed.

"These reports are but partial . . . We cannot, in any accurate way, put down the measurement of the love, dedication, courage, sacrifice, patience, and stability manifested by God's servants carrying on this ministry of love," said Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board.

Respectfully submitted,
MRS. WYMAN BOLIN.

Report of the Committee to Study Pastors' Salaries

The Standing Ministerial Relations Committee, after a careful study of Pastors' Salaries and Church Membership, and taking into consideration the rising cost of living, including taxes, goods and services, submits the following recommendations for the consideration of all Churches in our Association:

1. Salary

- (a) For those Churches in the Association with more than 200 members served by a trained, experienced, full-time Pastor, we recommend that the minimum basic salary be \$7,000.00 per year.
- (b) For the Churches in the Association which have memberships under 200, we strongly recommend that salaries be increased by substantial margins within the limits of funds available.

2. Other Remuneration and Expense Allowance

Our Pastors have a number of expenses that they must bear in connection with their Pastoral duties; therefore, our committee feels that the Church should provide expense allowances in addition to a basic salary to include at least the following items:

- (a) Convention Expense
Expenses should be provided for attendance at denominational meetings outside the community.
- (b) Travel Expense or Car Allowance
Since the typical Pastor drives his car 20,000 miles per year on Church business, we feel that he should have an allowance for this travel; therefore, we recommend a minimum car allowance of \$300.00 to \$500.00 per year.
- (c) Utility Allowance
Most Pastors in our Association are provided Parsonages (as they should be) in the Church community. The committee believes that

most, if not all, the utility expense for the Pastor's home should properly be an expense of the Church.

- (d) Annuity or Retirement
We encourage all our Churches to contribute to the Annuity Program or some similar retirement program.
- (e) We recommend that our Churches provide partial or full hospital insurance for their Pastor and his family, the same as most business firms do.
- (f) In terms of long range planning and in view of the desirability of obtaining trained, full-time Ministers, and considering the fact that the number of Ministerial graduates has been on the decline in recent years, we also recommend that consolidation of some of the Churches in our Association be considered. We believe this would strengthen the programs of our Churches and enable them to provide minimum salary benefits.

Respectfully submitted,

Report on Memorials

We have come now to one of the most solemn moments of our Associational meeting when we shall pay honor to those of our friends and neighbors who have passed on since our last Association. Some of these were probably in our midst when we met a year ago, but now are in our midst as silent representatives. Even though they may not be with us in person, and we cannot see them with our physical eyes, we know as the writer of Hebrews says, "We also are compassed about with so great a cloud of witnesses". We will continue to feel their influence, and their footprints will lead to a path of an unforgettable memory which will live on through the life of the church.

Now as a fitting memorial to them, may this congregation stand in humble reverence while their names are read.

Report of the Resolution Committee

WHEREAS, the 85th Annual Session of the Stanly Baptist Association in North Carolina has been a period of happy fellowship and spiritual inspiration and information,

BE IT THEREFORE RESOLVED:

1. That we recognize the bond of Christian love and fellowship that unites us, and the great missionary opportunities that lie before us, let us continue to display the spirit of our Saviour in the entire program in the Stanly Baptist Association.

2. That we recognize the good work of our Missions Committee. Recognizing the responsibilities and privileges that are ours in having the World Missions Conference, November 2-7, we recommend that our Association support the World Missions Conference by their prayers, attendance and providing financial assistance for the success of this program.

3. That we express appreciation to the members of Badin Baptist Church and Anderson Grove Baptist Church for their gracious hospitality and provisions for comfort with the excellent meals served during the noon hour.

4. That we express appreciation to our Superintendent of Missions for his diligent work and preparation to make this session more meaningful.

5. That we express our appreciation to the Moderator, Clerk and other officers of the Association for the splendid way in which they have conducted the sessions of the annual meeting.

6. That we express our appreciation to the program committee for the well planned sessions and their fine selection of speakers.

7. We thank the Stanly News and Press and radio stations WABZ and WZKY, for the publicity given this annual session and other denominational work throughout the year.

8. Be it further resolved that the minutes of this 85th Annual Session of the Stanly Baptist Association be dedicated to the memory of Dr. C. C. Burris and Rev. D. H. Ives for their faithful service to churches they served in Stanly Baptist Association and their service to Wingate College.

Respectfully submitted,

History of Anderson Grove Baptist Church

In 1854, 16 persons from the Kendall's Baptist Church of Stanly County, organized the Liberty Hill Missionary Baptist Church. It was a small log building located about one-half mile south of the present location. Those who were charter members of the venture of faith were: Elisha Laton, Martha Ann Laton, Alexander Biles, Franklin A. Laton, Thomas Biles, John Lilly, E. J. Laton, Winney H. Laton, Linda J. Laton, Caroline Biles, Sarah C. Laton, Mary Pickler, Mahaley Byrd, Sarah H. Carter, Lousinda McDaniel and Patsy Wilson.

The Rev. Henderson Carter was called as the first pastor in 1854 and served until 1864. The first two deacons were Alexander Biles and Franklin Laton.

The Church joined the Pee Dee Baptist Association and remained a member until 1869. A period of about seven years passed with no pastor during the re-construction days following the Civil War.

In 1869 the Church joined the Rocky River Association, which later became a part of the Stanly Association, and has remained in this Association until today.

The second pastor was a Reverend Stoker, who was followed by the Rev. Solomon. The fourth pastor was Rev. Oscar Haywood.

In 1880, Rev. J. C. Denny was called as pastor and during his ministry the name was changed to Anderson Grove Baptist Church. Part of the present location was given by Dr. Richard Anderson in 1880 and a new log building was erected. In 1904, a new frame building was erected and in 1917 rooms were built on each side, making wings to the church. Again in 1932 five more Sunday School rooms were added to the building.

The people continued using this building until 1951, when the present

building was erected. During this period from 1880, when the church changed its location to the present building many pastors were called to serve the Church. As best we can find in the records, the following men served as pastor: Rev. J. C. Denny, 1880-1892; Rev. J. W. Suttle, 1892-1894; Rev. J. A. McKaughan, 1894-1898; Rev. J. F. Davis, 1898-1899; Rev. R. H. Herrin, 1899-1901; Rev. A. C. Davis, 1901-1903; Rev. E. M. Brooks, 1903-1905; Rev. W. N. Sims, 1905-1906; Rev. D. W. Arnett, 1906-1909; Rev. J. L. Kirk, 1909-1910; Rev. R. E. Edwards, 1910-1916; Rev. John Kimery, 1916-1917; Rev. C. B. Reid, 1917-1919; Rev. Jake Kirk, 1919-1923; Rev. Ralph Harris, 1923-1926; Rev. Joel Tyson, 1926-1928; Rev. N. C. Coggins, 1928-1932; Rev. T. E. Staley, 1932-1937.

On Nov. 1, 1937 Rev. J. W. Russell was called as pastor and served for 15 years. During this period he led the church building program to the present brick structure.

In 1952 the Reverend R. D. Riggins was called as pastor, and served until 1957. Following his resignation, Rev. Troy Sherrin became pastor and remained until Jan., 1962. Following Rev. Sherrin the Reverend W. J. Taylor became pastor and served until 1968. During his pastorate he led the congregation in building the new Educational Building.

In April, 1969 Rev. Howard Laney, the present pastor assumed the duties.

Since the organization of the church in 1854, when the small group organized the Liberty Hill Baptist Church to the present location of Anderson Grove, 29 pastors have led in the kingdom work. In these 115 years the congregation has grown to about 500 people serving their Lord for the cause of Christ at home and around the world. From this church have gone several persons to full time Christian service.

Mrs. Charles Tabor (Miss Ellen Dennis) is now serving as a medical missionary in the Baptist hospital in Korea. Through the Anderson Grove Baptist Church have gone workers, but their tithes and offerings have made it possible for many who are called to fill their places at home and abroad.

History of Badin Baptist Church

The Sandy Creek Baptist Church constituted the Little River Baptist Church in 1760 (Montgomery Association); the Little River Baptist Church constituted the Rocky River Church in 1776 (Sandy Creek Association); the Rocky River Baptist Church constituted the Kendall's Baptist Church in 1830 (Stanly Association); and the Kendall's Baptist Church constituted the Ebenezer Baptist Church in 1836 (Badin). The Badin Baptist Church has in its ancestry the great Baptist leader, the Reverend Shubal Stearns.

Seventeen Baptists, including one slave, constituted the Ebenezer Baptist Church on April 17, 1836 near the narrows of the Yadkin River.

Elder Benjamin Lanier was called as the first pastor and on June 19 after preaching, the congregation "took the Lord's Supper and after supper washed feet as the Lord commanded us to do."

A log church was the first architectural style of the Badin Baptist Church. It is thought that the log church was abandoned about 1873 and that an unpainted frame church was constructed and referred to in the church minutes.

The church in conference on December 10, 1916 decided to build a house to cost not less than \$12,000. The estimated cost of the church rose to over \$100,000. The present structure was completed in 1925. The name became Badin Baptist on October 27, 1929.

Financing the completion of the church was due largely to the sale of property deeded by G. W. Callaway heirs, April 14, 1903.

The home of Dr. D. B. Moore was purchased by the church on March 10, 1946 for use as a parsonage.

The interior of the church has been redecorated several times with new equipment added as needed — the latest being a new Baldwin Organ. While the facilities are in keeping with newer churches, the church has no indebtedness.

Up to the present, the church has had thirty-eight pastors. Present resident membership: 222.

He reminded the Association of the God who brought us out of the past, into the future, and to continue to build on our Christian heritage. He pointed out the dangers of substituting Intellectualism for Christian maturity. As methods change, pitch our tents closer to God and the important question is, "Does it Change Lives?"

As we adjust to the Changing World, "We must accept it and not close our eyes". We must get involved, with a true Commitment to God. When we

are weak, let us change, but never lose sight of Christ. God knew in the First century what we need in the Nineteenth century.

9 — The Congregation joined in singing, "The Morning Light Is Breaking".

10 — Richard Webb, student from Gardner-Webb College brought greetings and spoke on the highlight of the College.

In these changing times, God's message has never changed, redemption is still the heart of the Gospel.

Brother Abernathy closed with prayer and gave thanks for the food and fellowship at the noon hour.

He spoke on several areas of concern and urged the Association to be alert to the many dangers in our communities and importance of Christian people taking a stand.

Report of Credentials Committee

The Credentials Committee recommends that the Messengers of member churches of The Stanly Baptist Association be seated. The Committee reviewed our support of our Denominal objects, and our Associational policies and practices and found much to commend, but we find some to cause us concern. Several churches have not supported our Associational Missions Program. May we urge these churches to participate in all phases of our work, that our Association may be united, and be an example in every respect.

Executive Committee Report

The Executive Committee of the Stanly Baptist Association has met during the past year as directed by the Constitution. The Committee reports the items acted upon as follows:

1. The Constitution Committee was reported by the moderator, Rev. A. M. Kiser.
2. The amount of \$150.00 was applied for from the North Carolina State Convention for the purpose of aiding in the expense of our associational program. The State Convention exceeds our request and granted \$156.00 for the year.
3. The Sunday School Leadership conference for the 70's was conducted May 18-21 at the First Baptist Church, Albemarle.
4. The contract was reviewed by the Missions Committee and the Associational Missionary, Rev. J. C. Dunevant.
5. Secretarial work was started on a part-time basis in the Associational office with Mrs. Albert Miller as secretary.
6. A Calendar of Activities was presented for the year 1971. These activities include Southern Baptist, North Carolina Baptist, and Stanly Baptist Associational meetings.
7. The East Albemarle Baptist Group organized into a Baptist Church, November 20, 1969 and asked to be affiliated with the Stanly Baptist Association.

Evangelism Report

In Associational Evangelism Clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of depending upon the Holy Spirit, genuine prayer, careful planning, and involvement of Youth and Adults in Witnessing.

All Christians need to accept the challenge of Acts 2:32 "This Jesus hath God raised up, whereof we are all witnesses". In his book "Exploring Evangelism" Mendall Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened.

Evangelism is indispensable in the life of the church". All Christians can reveal to the world a greater concern for evangelism and total Christianity.

The new materials for lay witnessing written by Dr. Kenneth L. Chafin and other Southern Baptist Convention leaders will not be available on January 1st as you will be informed. Training clinics using these materials are to be held in all associations during 1971. I am excited about this plan and am looking forward to its being begun in our association — for I believe it is Biblical, effective and workable. Let's adopt for our slogan "Every Baptist a Witness" for next year.

The 25th Statewide Evangelism Conference will be held in War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many of our youth will make genuine decisions for Christ.

Let's get involved in witnessing — can we afford to? In the light of Calvary's Cross can we afford not to?

Last year we had in our Association 342 decisions — baptisms. During 1970 we had 378 baptisms.

Report of the Supt. of Missions

The work of our Association during the past year, following the theme "Living the Spirit of Christ in Belief and Relevance" has been an interesting and rewarding experience for us. I hope, as we have examined the proposed activities, methods, programs, etc. for the 1970's, we have tried to select that which is worthy of our confidence — that which we can really **believe in** — and that which is and will be **relevant**. We can never hope to get wholehearted support for plans unless we can get our people to believe they are relevant — both to Living the Spirit of Christ and to our times and situations. If we have been successful in doing this, we should continue in the coming year (1970-71) in the theme Living The Spirit of Christ in Openness and Freedom. "If the Son therefore shall make you free, ye shall be free indeed." John 8:36. Let us study God's Word, seeking the real **freedom** God desires for us and sharing it in **openness** with all the world.

Some of the statistics of my work during the past year are:

Travelled about 18,500 miles.

Promoted World Mission Conference Nov. 1 - 7.

Attended VBS Clinic at Wingate College, assisted in clinic here. (helped Negro Ch.)

Attended Shaping the Seventies Clinic, assisted in clinic here. Mimeographed . . . literally thousands of sheets or pages for each of these clinics.

Eight services other than church services.

Nine statewide meetings.

Twelve Regional or Area meetings.

Prepared and mailed bulletins — about 500 per month.

Conferences with groups and individuals have been most numerous this year.

Thank you for the many opportunities to preach — I still enjoy preaching. Let us work together under the Holy Spirit to make the 1970's the greatest decade of all.

Thank you for providing for some part-time secretarial help at the office. Mrs. Albert Miller has been most helpful.

Cooperative Program Report

In a day when many major denominations are cutting back their missions programs, we are pleased to report that Southern Baptists are making large advances. For instance, in the last seven years we have gone from \$8,452,410 to \$13,836,619 given to foreign missions through the Cooperative Program. Similar increases could be shown for all phases of our work.

To help the churches of the Stanly Association grow in support of Cooperative Program work we recommend:

- 1) That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to missions.
- 2) That every church observe Cooperative Program Month in October and Cooperative Program Day in April.
- 3) That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:
 - A. For churches giving under 20%, advance 2% each year up to 20%.
 - B. For churches giving 20% but under 30% level, advance 1% each year to 30%.
 - C. For churches reaching the 30% level, advance 1/2% each year until the objective set by the church is reached.

STEWARDSHIP DEVELOPMENT

In order to help our members in their personal stewardship development, the Stewardship Commission, SBC, now offers to the churches five programs to help in the matter of planning, promoting and pledging church budgets. They are:

- 1) The Forward Program of Christian Stewardship. The theme for this year is "If You Really Care — Share".
 - 2) Growth in Christian Stewardship, a program designed for the church with 300 members or under.
 - 3) The Christian Family Acknowledging the Lordship of Christ through Stewardship. This program is designed to teach sound money management principles to the Christian family by acknowledging the Lordship of Christ.
 - 4) Tithers Enrolment Week plans.
 - 5) Weekend Stewardship Revival plans.
- It is hoped that many of our churches will take advantage of these programs during next year.

Baptist Children's Homes

Walls are up for the first two cottages of the new Broyhill Home campus now under construction in Jones Cove between Waynesville and Clyde. The Asheville maternity home opened last month and Superintendent Hugh Starnes and his staff are now ready to receive inquiries on behalf of girls who are in need of this service.

The new infirmary at the Kennedy Home campus is completed and is now being furnished and soon will be ready for use. Mr. W. H. Jones of Kinston, North Carolina left a provision in his will for this building and Mrs. Lula Bostic Jones, his wife and an alumna of Kennedy home and Mills Home has already paid this bequest. Presently under construction at Kennedy Home is the first wing of a recreation building made possible by a bequest of the late Mr. and Mrs. C. I. Robinson.

At Mills Home two new family-style cottages — Stokes and Carver — were completed and occupied in August past.

Two outstanding child care workers, Miss Sallie L. McCracken and Rev. W. C. Reed were lost by death within the past year. "Miss Sallie" served children through the Baptist Children's Homes from 1896 until her death December 1969. Mr. Reed, who served seven years as superintendent of Kennedy Home and eight years as general superintendent of all the Homes died month before last.

One of the most urgent needs of the Homes at present is an increase in operating funds especially for the new maternity home and the new Broyhill home. Last year's Thanksgiving offering of a little less than \$350,000 needs to be increased to \$500,000 for this year.

Baptist Hospital Report

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit included an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected

to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served beyond what these patients, their insurance, and all sponsoring agencies paid.

North Carolina Baptists provided \$565,000 of this amount — \$237,000 through the Cooperative program and \$328,000 through the Mother's Day Offering. To date (September) this year 42 churches in our association contributed \$5,997.79 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Christian Literature

"My people are destroyed for lack of knowledge."—Hosea 3-6.

Never in the history of the world has the output of printed matter been so great — some of it good; the bulk of it "smut" and "filth". We hear much of pollution of the air and water, but how aware are we of a worse tragedy — pollution of the mind?

Bible ignorance among church members is appalling! Vast numbers of God's people are unable to give any reason for the "hope that is within them," and are totally helpless in using the Word of God to withstand temptations and the "fiery darts" of Satan. Baptists are held by the conviction that in the Bible are the answers to our needs and problems — ALL OF THEM. 'Tis said a knowledge of the Bible without a college course is more valuable than a college course without a knowledge of the Bible.

The Biblical Recorder, the best church paper published, should be in every Baptist home. It is written by Baptists, for Baptists, and about Baptists. There is no substitute for your weekly church paper. Where can you get so much information and inspiration for 4c per week?

The Baptist Press continues to produce the BEST Christian literature available — books, magazines, periodicals, pamphlets, tracts, etc., too numerous to mention — suitable for all age groups, and should have our wholehearted support in promoting its use. The purpose of all curriculum materials is to help us grow in understanding of God's Word, and in our daily living of His way. Are you providing your children with Baptist literature?

North Carolina Baptist Homes For The Aging

God has blessed our Homes for the Aging all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes.

An urgent appeal was made to our Baptist people before our offering in February, to help us reduce the alarming deficit in the operation of the Homes. This plea was heard and the offering exceeded all others in previous years.

From July 1, 1969 to June 30, 1970, thirty-three churches of the Stanly Association gave \$3,797.93 through Special Offerings. This was a good year, but the need is still staggering, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our Nursing Care Unit. In the challenge gift of \$80,000.00 is realized our total nursing care capacity will be brought up to 80 beds. We appeal to Baptist people to work and pray for the success of this very special project.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank God, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

The 1970 Associational Foundation Report

By: C. GORDON MADDREY, Executive Secretary

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

Special Emphasis On Trusts And Wills

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many

people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

Report On Christian Higher Education

From the Blue Ridge Mountains to the Coastal Plains you will find our seven Baptist Colleges providing quality education to the Youth of today who are seeking "to think effectively, communicate clearly, make relevant judgments, and discriminate among values." We are all aware of the fact that today's Youth are asking profound questions about life and its meanings, but more than this they are seeking purpose in life to put to full use that which they feel has been entrusted to them.

In our University, Wake Forest at Winston-Salem, our four Senior Colleges, Campbell College, Buies Creek, Gardner-Webb College, Boiling Springs, Mars Hill College, Mars Hill, Meredith College, Raleigh, and our two Junior Colleges, Chowan College, Murfreesboro, and Wingate College at Wingate we had a total enrollment October 15, 1969 of 12,353. Of this number more than 600 students have dedicated their lives to full-time Christian service. The largest number of these Young People will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers.

The largest single source of annual income for our colleges outside of student charges, is that of the Cooperative Program who this past year gave a total of \$1,755,830.00. On June 20, 1971 we will observe Baptist College Day and this offering will be used to help further the education process in our Colleges.

For the second summer the Baptist Youth Corps has worked in the Churches throughout our State in a joint venture with the Church Training Department. This work has been highly profitable to both Church and College. In addition to the Corps, college students are working in a number of other areas and programs. Many Baptist Young People want to participate in the life of the Church and the denomination. These students are anxious to be used. Weekend revival teams have been highly successful. The local Church can contact the Colleges concerning a team and offer an opportunity to serve.

According to a recent issue of the Stanly News we have a total of 56 students from Stanly County enrolled in our State Baptist Colleges and University.

Each of our seven institutions of higher learning have an outstanding record of leadership and achievements for the past year. Through our prayer and financial support may the year of '71 be an even better year in Christian Education.

HERBERT GRAY

American Bible Society

Scripture distribution by the American Bible Society is on the increase each year. This past year, Scripture distribution throughout the United States totaled 76,216,553 Bibles, Testaments, Portions and Selections. This was a 47.6 per cent increase over the previous year. During 1969 a volume symbolizing the one-billionth copy of Scripture distributed by the ABS since its founding in 1816 was presented to President Nixon.

The work of the ABS continues to grow also in its overseas distribution. Scripture distribution throughout the 150 countries and territories receiving annual assistance from the ABS showed an estimated increase of 17 per cent. Significant increases can be seen in Scripture distribution to the blind, armed services, and campus ministry.

Contributions from various denominations, communions, and agencies help make the ministry of Bible distribution possible. These religious groups supplied 16.1 per cent of the budget for 1969. During the same year, 1,160,362 individual gifts were received in support of the ABS.

The ministries of the American Bible Society are invaluable — your interest, prayers, and financial support has helped make the above increases possible. Let each of us, both on an individual and church level, continue our loyalty to this worthy endeavor.

Sunday School Report

In some ways, this year has been a difficult year in Sunday School. The closing out of some old materials and methods and the beginning of some new ones has made some changes necessary. Many times, changes are difficult, but we believe these to be good.

The Sunday School organization has offered help to the churches in several ways. The '70's clinic, that was conducted March 23rd and 24th, was well attended. Many people expressed appreciation for the help they received for their Sunday School in these meetings.

There was also assigned to every church a representative that had some special training in the new Sunday School work. They were to contact the churches they were assigned to and offer help in explaining the organization and literature. Some churches took advantage of this help.

In our associational meeting, September 8, 1970, the department leaders held conferences to give further help to the churches. We have planned this year several conferences that we hope our churches will participate in.

Our associational Sunday School workers will be happy to assist any person or church that they can. Call on them if you need them.

Church Training Report

These are days of challenge for Church Training all over our convention. New materials, new organization, and new hopes for the future of Church Training. We sincerely hope that our churches will make use of these materials and changes.

We had good representation at all of our activities this year which

included "M" Night, Youth Night, Tournament Work and a Training Conference.

We had several people to attend our summer assemblies this past summer.

May I urge each of you to study and keep up to date with new materials and new programs. This is essential if we are to have trained and informed people in our churches.

May I ask your prayers as I give to you and each of the associational Church Training officers my heartfelt thanks for your support this past year.

W. M. U. Report

The past year in W.M.U. has been one of questions and answers, plans and programs. As we have approached the 70's. we have tried to prepare our women for the changes and new plans and ideas. We have felt a wonderful cooperation and fellowship with our women as we have met together in discussion, information and inspiration.

We have had a new W.M.S. organized in the Barbee's Grove Church. The women seem eager and enthusiastic in this new effort.

Our G.A.'s have had marvelous quarterly meetings, under the capable leadership of Mrs. Brenda McSwain and Mrs. Polly Baldwin. The Y.W.A.'s, under Mrs. Howard Benoy's direction, have also had a good year. Mrs. Bonnie McDonald has been available at all times for help with Sunbeam

activities. Other officers have functioned equally well. We commend all of them for a job well done.

For the new year we have Mrs. Howard Laney working with Baptist Women; Mrs. Benoy will be director of Baptist Young Women; Mrs. Brenda McSwain and Mrs. Eugene McIntyre will be our Acteen's Directors, and the Girls in Action will be led by Mrs. Douglas Phillips and Miss Brenda Caudell. Mrs. McDonald will work with Mission Friends. Under the capable leadership of these dedicated women, we look forward to a great year in W.M.U. in Stanly Association. All of these women attended the workshop at Mundo Vista, and will be well prepared to lead our people.

Our annual meeting was held on April 9, with the Grace Baptist Church. Mrs. A. S. Parker, and Miss Maureen Perryman were guest speakers. Our 1971 meeting will be held on the second Tuesday in April with the North Albemarle Church.

As we reflect on the past year, we realize that much has been accomplished, but so much needs to be done in the **fields that are white unto harvest**. One of the highlights of our year's work was that our association achieved the rating of **Distinguished Association**. This could not have been accomplished without the cooperation of every W.M.U. member in our association.

We would not conclude this report without paying tribute to our Associational Missionary, Mr. Clifton Dunevant. He has been invaluable in aiding us in all phases of our work, and we appreciate his interest and cooperation, as he has been so helpful in every effort.

We covet the prayers and cooperation of our pastors as we become a definite **department** in the whole church plan and pledge our cooperation in anything that we can do to promote the cause of missions in "Judea, Samaria and unto the uttermost parts of the earth".

MRS. J. C. HOUGH

Americans United

(Separation of Church and State)

Dr. L. R. Simmons in his book, **Southern Baptist and Federal Aid**, states, ". . . Congress has made not one, but several laws, appropriating funds for church school construction and, . . . has actually brought a de facto (in fact) establishment of religion into existence by funneling multiplied millions of tax dollars into the parochial schools of America, 95% of which are owned by one denomination."

Dr. Simmons quotes Dr. E. Y. Mullins as saying, "There has never been a time in their history, so far as that history is known to us, when they (Southern Baptists) wavered in their doctrine of a free church in a free state."

Also quoted is Dr. Truett from his address in Washington in 1920: "It is the consistent and insistent contention of our Baptist people, always and everywhere, that religion must be forever voluntary and uncoerced, and that it is not the prerogative of any power, whether civil or ecclesiastical, to compel men to conform to any religious creed or form of worship, or to pay taxes for the support of a religious organization to which they do not belong and in whose creed they do not believe."

Either Dr. Mullins and Dr. Truett were mistaken in their rigid position, or some Baptists of today and some Baptist institutions, in asking for and/or

accepting government tax funds for the operation of denominational institutions, are wrong. Better to part with our institutions than to surrender our foundation principles!

In 1947 leaders of a number of denominations, with Baptist in the forefront, founded the organization known as Americans United (P. O. A. U.) for the sole purpose of holding the line or separation of church and state. We believe that Baptists have the resources to maintain all of our institutions, if our people will only practice Christian stewardship and if our churches will only be properly missionary.

So let us stand for this worthwhile endeavor of separation of church and state with our Baptist support.

Report Of Standing Ministerial Relations Committee Survey Of Pastors' Salaries And Benefits

During September, 1970 a mail questionnaire was sent to 50 churches in our Association for the purpose of determining the current level of salaries and benefits to our pastors. Responses were received from 21 churches. Following is a summary of the information from the questionnaires.

Pastors' salaries for 18 full-time churches reporting receipts of more than \$10,000 annually, averaged \$6,065. Three churches with receipts under \$7,000 annually, paid pastors' salaries of less than \$5,000. These 3 pastors are having to supplement their salaries with outside employment.

Average resident membership for the 18 full-time churches was 309, and the average annual report receipts amounted to \$26,484.

Other Benefits:

All or part of the parsonage utilities were paid by 16 of the 21 churches, with an average amount reported of \$519.

Some car allowance was paid by 14 of the churches, for an average amount of \$640. Seven churches reported no car allowance paid.

Gifts to the pastors were reported by 12 churches, in an average amount of \$102.

Convention expense was allowed by 19 churches in amounts ranging from \$50 to \$450, with an average of \$209.

Insurance was paid by only 6 churches, with an average amount of \$258 for the six churches.

All 21 churches reported paying retirement benefits to their pastors, in an average amount of \$376.

Related Information:

Salary increases were granted for 13 churches within the last year, 4 churches within the last 2 years, and 2 churches within the last 3 years. The other 2 pastors who did not report salary increases have been in their pastorates less than 2 years. The average annual salary increase amounted to \$333.

Average annual car mileage was reported at 20,071 miles.

All churches provided their pastors some paid vacation, from 4 to 15 days. The average vacation time was 11 days.

The average length of time our pastors have been in their present pastorates is 47 months.

Recommendations:

1. Since the average pastor's salary of our full-time churches appears to average only a little more than \$6,000, and the average annual increase is only 5½%, we believe that many of our churches should give serious consideration to substantial increase in basic salaries in order to reach the \$7,000 level we consider minimal.
2. With an annual mileage of 20,000 miles, it is obvious that few of the churches reporting are paying a substantial part of their pastors' driving costs, and some are not paying any. Since car expense is the major cost item for a pastor in his duties, we recommend that this be considered by every church.
3. Hospital and medical insurance is provided by only 6 churches reporting, and we believe that this should be a part of every pastor's benefits.
4. We commend our churches for the wide acceptance of a retirement program reflecting, we believe, a genuine love and concern for their pastors.

State Missions

The over all purpose of State Missions is to lead people to Jesus Christ and help develop the churches. New churches are given counsel and financial assistance upon request, and when the current budget will permit. Churches that are unable to support a full time program are encouraged to form a field of two or more churches in order to have a pastor live on the field, minister to them, and lead them to develop their own resources.

State Missions provides training for Christian vocation through Fruitland Bible Institute and an ever growing number of Seminary Extension Centers. In a new ministry State Missions is ministering to thousands of people in Resort areas. State Missions reaches into our inner cities with needed Baptist Centers; into our military areas with help through the local churches and specialized ministries. There is limited Chaplaincy ministry in correctional institutions. There is a thriving ministry to the deaf. There is a helpful ministry to other races. Help is given the churches in their own stewardship programs. State Missions offers help in the training of deacons, Sunday School leaders and teachers, and Brotherhood leaders. Many other services which can be extended by the Convention to the local churches are given at the request of the pastor or other recognized leadership.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in cooperation with the local Baptist Association. A majority of our Associations are given financial aid through State Missions. Some State Missions project are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Your State Missions ministry is supported by cooperative program receipts and the special September offering for State Missions.

Home Missions Report

"Our Land for Christ" is the challenging, unchanging task of our Home Mission Board, which is in its 125th year of work. Dr. Arthur B. Rutledge, Executive Secretary-Treasurer, reports that the Board's twelve programs enjoyed a healthy year and registered some significant advances. 69,359 baptisms were reported through the programs and personnel of the Budget.

The Home Mission Board appointed 585 new missionaries in the past year, bringing the total number under appointment to 2,235. This many more served in various short-term assignments — as Summer Student Personnel, Christian Service Corps, and others.

Program leadership has been provided by the assignment of missionaries to fields with critical needs, and by encouraging the involvement of Southern Baptists in local efforts to meet such needs. Two hundred churches have been helped to begin church community weekday programs. In the Literacy Missions program volunteers are enlisted in three states to serve as resource personnel to promote and train volunteers at the local level. In Migrant Missions a definite ministry of migrants was given through 14 state conventions, 26 associations, and 90 churches. In Youth and Family Services assistance was given in the establishing of 50 new volunteer ministries.

There were 370 new missions and 97 new churches reported last year. Much help is given in loans for new church work, and supplement to pastors' salary. There is need for more missionaries — especially for the language groups, Christian Social Ministries, and mission pastors.

Over 160 pieces of printed material were produced to give information and aid missions and evangelism leaders; assistance was given to missionaries and mission leaders and securing Bibles, large-type New Testaments, and other forms of Scriptures for distribution for the spread of the Gospel. So the work goes on, to win "Our Land for Christ."

Foreign Mission Report

For several years the work of the Foreign Mission Board was divided into four administrative areas. In 1969 the board made important changes in its overseas administration. The new plan included six areas with Winston Crawley as director of Overseas Division. The areas and their secretaries are: Africa, H. Cornell Goerner; East Asia, James D. Belote; Europe and the Middle East, John D. Hughey; Middle America and the Caribbean; Charles W. Bryan, South America; Frank K. Means, Southeast Asia, with R. Keith Parks as area secretary.

The overseas division has responsibility for the planning, coordinating, and strengthening of the Foreign Mission Board's programs of work around the world. Those programs are described in functional terms as evangelism and church development, schools and student work, publication work, hospitals and medical care, and benevolent ministries.

Two new fields were added in 1969. They are Dahomey and Leeward Islands. The addition of these two gives a total of 71 political and geographical entities for which missionaries were under assignment at the end of the year.

The year set a new record for missionary appointments, with 261 reinforcements for our missionary staff (including 10 reappointments, 49 mis-

sionary associates, 62 missionary journeymen, and 1 special nurse). Total staff at the end of 1969 stood at 2,490.

A major focus of attention during the year was the completion of the Crusade of the Americas. The board's consultant in evangelism and church development helped also in an evangelistic campaign in Norway.

A Caribbean Missions Conference was held in Jamaica in 1969, with 50 missionaries from 9 Caribbean countries, to project plans for comprehensive coordinated work in the area. The Caribbean is vibrating with significant economic, educational, political, and social changes.

World conditions providing the background for our missionary efforts remained relatively unchanged in 1969. Strife in Vietnam and Nigeria and explosive crises in the Middle East continued. There were less serious disturbances in other parts of the world.

During the year of 1969 significant progress was recorded. Organized churches with which our missionaries are related on mission fields now total 5,303, of which 3,821 are self-supporting. In addition, 7,375 mission points bring the total to 12,648 centers of worship and witness. National pastors number 4,574. Baptisms totaled 54,994 in 1969, and church membership has now reached 631,259.

Baptist schools with which Southern Baptist missionaries work total 758, enrolling 93,005 students. Among these are kindergartens, elementary and secondary schools, colleges, theological institutions and women's training schools, plus several vocational and other types of training. Two full senior colleges are maintained in Japan and Hong Kong.

Ministries were extended last year to 64,508 inpatients and 815,512 outpatients through 21 hospitals and 92 clinics and dispensaries. Serving here were 2,156 national personnel (194 doctors, 387 nurses, and 1,575 others) and 162 missionaries (47 doctors, 77 nurses, and 38 others).

Publication work, carried on in 27 centers, was staffed by 591 national workers and 83 missionaries.

In our mission lands Baptists maintain 19 orphanages in which 2 missionaries and 115 national staff members serve. The orphanages cared for 838 boys and girls in 1969.

Forty-six good will and community centers were in operation, in which 138 national workers and 42 missionaries extended their ministry to 457,615 children and adults.

Details of the work by areas may be found in the Southern Baptist Convention Annual.

REV. NATHAN B. FOX

The Rose Still Grows Beyond The Wall

Near a shady wall a rose once grew,
 Budded and blossomed in God's free light,
Watered and fed by morning dew,
 Shedding its sweetness day and night.

As it grew and blossomed fair and tall,
 Slowly rising to loftier height,
It came to a crevice in the wall,
 Through which there shone a beam of light.

Onward it crept with added strength,
 With never a thought of fear or pride.
It followed the light through the crevice's length
 And unfolded itself on the other side.

The light, the dew, the broadening view
 Were found the same as they were before;
And it lost itself in beauties new,
 Breathing its fragrance more and more.

Shall claim of death cause us to grieve,
 And make our courage faint or fail?
Nay! let us faith and hope receive:
 The rose still grows beyond the wall.

Scattering fragrance far and wide,
 Just as it did in days of yore,
Just as it did on the other side,
 Just as it will for evermore.

History Of West Albemarle

West Albemarle Baptist Church was organized September 3, 1903. Rev. R. H. Herrin was moderator. That day it was constituted into a church with nineteen members and named West Albemarle. The church services began with co-pastors September 20, Rev. A. C. "Cull" Davis and Rev. G. A. Honeycutt.

The church auditorium was widened under Rev. C. J. Black's ministry from 1904-1915. By 1911 the church had 528 members.

From the small frame building the church went to a brick educational building, in 1927, which is the building housing the church offices today. This was under R. L. West's ministry. The sanctuary was built in 1929.

During the depression the church was unable to pay its debt and hung in balance. Rev. R. L. Dorton led through this dark day. The Insurance Company that held the mortgage permitted us to rent the building and resume payments after the depression. This was partially solved by 1937. When Rev. C. R. Hinton came in 1941, the membership was 353. Miss Harriett Orr (Mrs. Judson Lennon) was the first Educational Director.

Rev. Woodrow W. Hill assumed the pastorate in 1947. The membership was 601 but went to 792 during his ministry. Following Mr. Hill, Rev. Judson Lennon came as pastor in 1953. Rev. Hoyle Allred became pastor in 1955. It was during this Pastorate the children's building was constructed in 1957. Rev. Wiley Rutledge came in 1962, and Rev. L. Edgar Whitlock came in October 1969, at which time the church had 832 members, a \$66,363 budget and was without a debt.

History Of The Red Cross Baptist Church

On September 17, 1944 a small group of about 20 people met to organize the Red Cross Baptist Church in Western Stanly County.

In the first year the mission was under the care of the Stanfield Baptist Church with the late Reverend Lee Hartsell serving as pastor of the Mission and the Stanfield Church. The Red Cross Church was accepted into the Stanly Baptist Association at this time.

The first building was a small frame structure with additions added as the membership grew. Through the 26 years there has been a good continuous growth in membership. From the first 20 charter members, now the church membership is about 250 with a complete Baptist Program of a full-time Pastor, Sunday School, Department of Training, Baptist Men's Brotherhood and Woman's Missionary Union with all age groups.

The following pastors have served this congregation: Rev. Lee Hartsell, 1944-46; Rev. Arlie Starnes, 1947-48; Rev. C. C. Huneycutt, 1948-51; Rev. J. D. Tucker, 1952-56; Rev. George Huggins, 1956-59; Rev. A. R. Waisner, 1959-66; Rev. J. T. Baker, 1967-

Under the leadership of the present pastor, the Reverend Baker, the members of this fellowship voted in October 1968, to enter the second Building program for a complete Educational Building and a New Sanctuary to meet the needs of the growing Congregation. In 1969 the new Building was ready for service and a most impressive Dedication Service was held in the

Sanctuary on November 23, 1969 with an open house. This occasion was also an expression of gratitude for the 25 years of growth in service.

The Red Cross Church continues to grow and fill its rightful place in the Community and a World-Wide Mission Program.

This church stands as a culmination of the past and present. She stands because of the faithfulness of the first 20 charter members, those who have gone on before and now lie in Heavenly Rest under the shadow of the present Beautiful Building. It stands because of the Faithful stewards of the past 26 years and will continue because the members know God is expecting more in the years ahead.
